

Chapter 56 - The best bl*wjob +18

Nahida lay down on the bed, and Nazuna got on all fours before him. She looked at Nahida's big cock and didn't know what to do. So Nahida instructed her to touch his cock gently and then start masturbating it.

Nazuna's soft hand began to stroke Nahida's cock, and he closed his eyes, enjoying the sensation.

"That's good, keep going."

"All right." Without Nahida saying anything, Nazuna spat on his cock to lubricate it. Nazuna's hand slid down Nahida's cock more easily because of her warm spit.

Nazuna continued to jerk off him until she finally worked up the courage to put Nahida's cock in her mouth. She slowly opened her mouth, then licked the head of Nahida's cock.

When her rough, wet tongue touched the head of his cock, Nahida felt his whole body shiver. Nazuna saw this and smiled. She wanted to play with him even more, so she continued to lick the head of his cock.

"Hmm~~ Hmmm~~ Are you feeling good?" she asked.

"Yes, but it would be even better if you put my whole cock in your mouth."

"Whole?!" Nazuna looked scared but took a deep breath and did as Nahida asked. She put her lips against the head of Nahida's cock and began to move her head slowly, slipping his cock into her mouth.

It slowly entered her wet, hot mouth as if it were coming into her pussy. When Nahida's cock was half inside her mouth, Nazuna slowly started to remove it.

"Move your tongue." Nahida touched Nazuna's head and shoved his cock into her mouth again. Nazuna began to move her tongue around Nahida's cock in her mouth, focusing mainly on the head of his cock.

Nazuna's mouth was getting wetter and hotter, increasing the pleasure.

Unable to control himself, Nahida moved his hips, driving his cock deeper into Nazuna's throat and almost making her vomit. But she put up with it.

"Guh~~ Uh~~" She began to make strange sounds, and her eyes filled with tears as Nahida's sperm began to flow down her throat. She swallowed Nahida's viscous liquid.

When Nahida had finished cumming, Nazuna slowly removed his cock from her mouth, sucking all the remaining sperm in Nahida's urethra.

Nahida didn't have to teach her much. She learned everything quickly and on her own. The only thing Nahida did was ask her to put his cock inside her mouth, move her tongue around.

He thought his cock was going to melt inside her mouth. The inside of her mouth seemed to be hotter than the inside of a human woman's mouth. Nahida was sure no human woman would give him as much pleasure with her mouth as Nazuna had just given him.

Nahida was breathing hard, recovering from his orgasm. However, his cock was still hard.

Nazuna saw this and decided to play with Nahida a little, putting his cock back in her mouth. But she only played with him briefly, as she knew Nahida might cum again and get tired.

She didn't want him to get tired before he came inside her pussy.

Nazuna climbed on top of Nahida and sat on him, rubbing her pussy against his belly. Nahida looked down at Nazuna's swaying breasts and wrapped his arms around her. He threw her onto the bed and climbed over her with a single movement.

"I'm not going to let you do whatever you want." Nahida stole Nazuna's lips once more. When their lips parted, Nazuna had a sensual smile that made Nahida's cock twitch.

Nazuna was dying to have Nahida's cock inside her, and he realized it. He was going to do what she wanted.

"I'll put it in." Nazuna nodded, and Nahida brought his cock to the entrance of Nazuna's pussy. He slowly began to thrust his cock inside her. Nazuna's tight pussy began to swallow his cock, and Nahida felt his mind go blank for a moment.

Nahida's cock went inside Nazuna, all the way to the base. Nazuna entwined her legs behind him when Nahida was inside her to prevent him from moving. The inside of her pussy was contracting. She was cumming.

She let out weak moans despite the intense orgasm she was having. And to make her enjoy her orgasm even more, Nahida started sucking on one of her nipples and touching her breasts.

"Hmm~~" Nazuna moaned louder, and her pussy squeezed Nahida's cock even harder. Nahida felt as if his cock was going to be ripped off. He could cum if he didn't control himself.

Then Nazuna's grip softened, and she rested her legs, freeing Nahida so he could move as he pleased. Nazuna had practically passed out from the orgasm.

She was so horny that after Nahida shoved his cock inside her, she came like never before.

Nahida noticed this, so he didn't start to move. He put his hand on Nazuna's cheek with his cock still inside her. Nazuna slowly opened her eyes and gave a weak smile.

"You can start moving if you want." She wanted to feel that delicious sensation a few more times.
