

Can I stop now?

You...Jung...Aerin!
You've gone too far

Why must you drag
me into this?
I won't strip
anymore....

D...D-Don't come
any closer!!!

Shut up!
You're starting
to annoy me...!

...Ugh...Wh..Whatever
Just cut the games and
tell me what you want,
or leave already

What if someone walks in
and catches us?

You'll be in trouble,
then

What?! Why only me...
why not you... you also face
troubles, don't you?
You come in with me.

Cuz that I'm not
embarrassed about
anything

It's not like
I'm looking to do anything
disgraceful or
have you as a meal

Besides,
Didn't you undress
on your own?
I haven't even laid a
finger on you

And you think it's cool
to show off at school
like that?

W...What?!

That hella thing.
I see only one kiss mark,
correct?

Even if there's still more to it, what does it have to do with you?!

Do you want a punch?

You're so violent, that's why I had to listen to you and take off my shirt

C..Can you not make me do things I don't like?

I'm sorry

Sorry!

....?

I just... I just wanted to know if there are more of those marks on your body.

Well, you see, it's... um,
it's just, you know,
a small accident.

Then tell me it's
just a bug bite

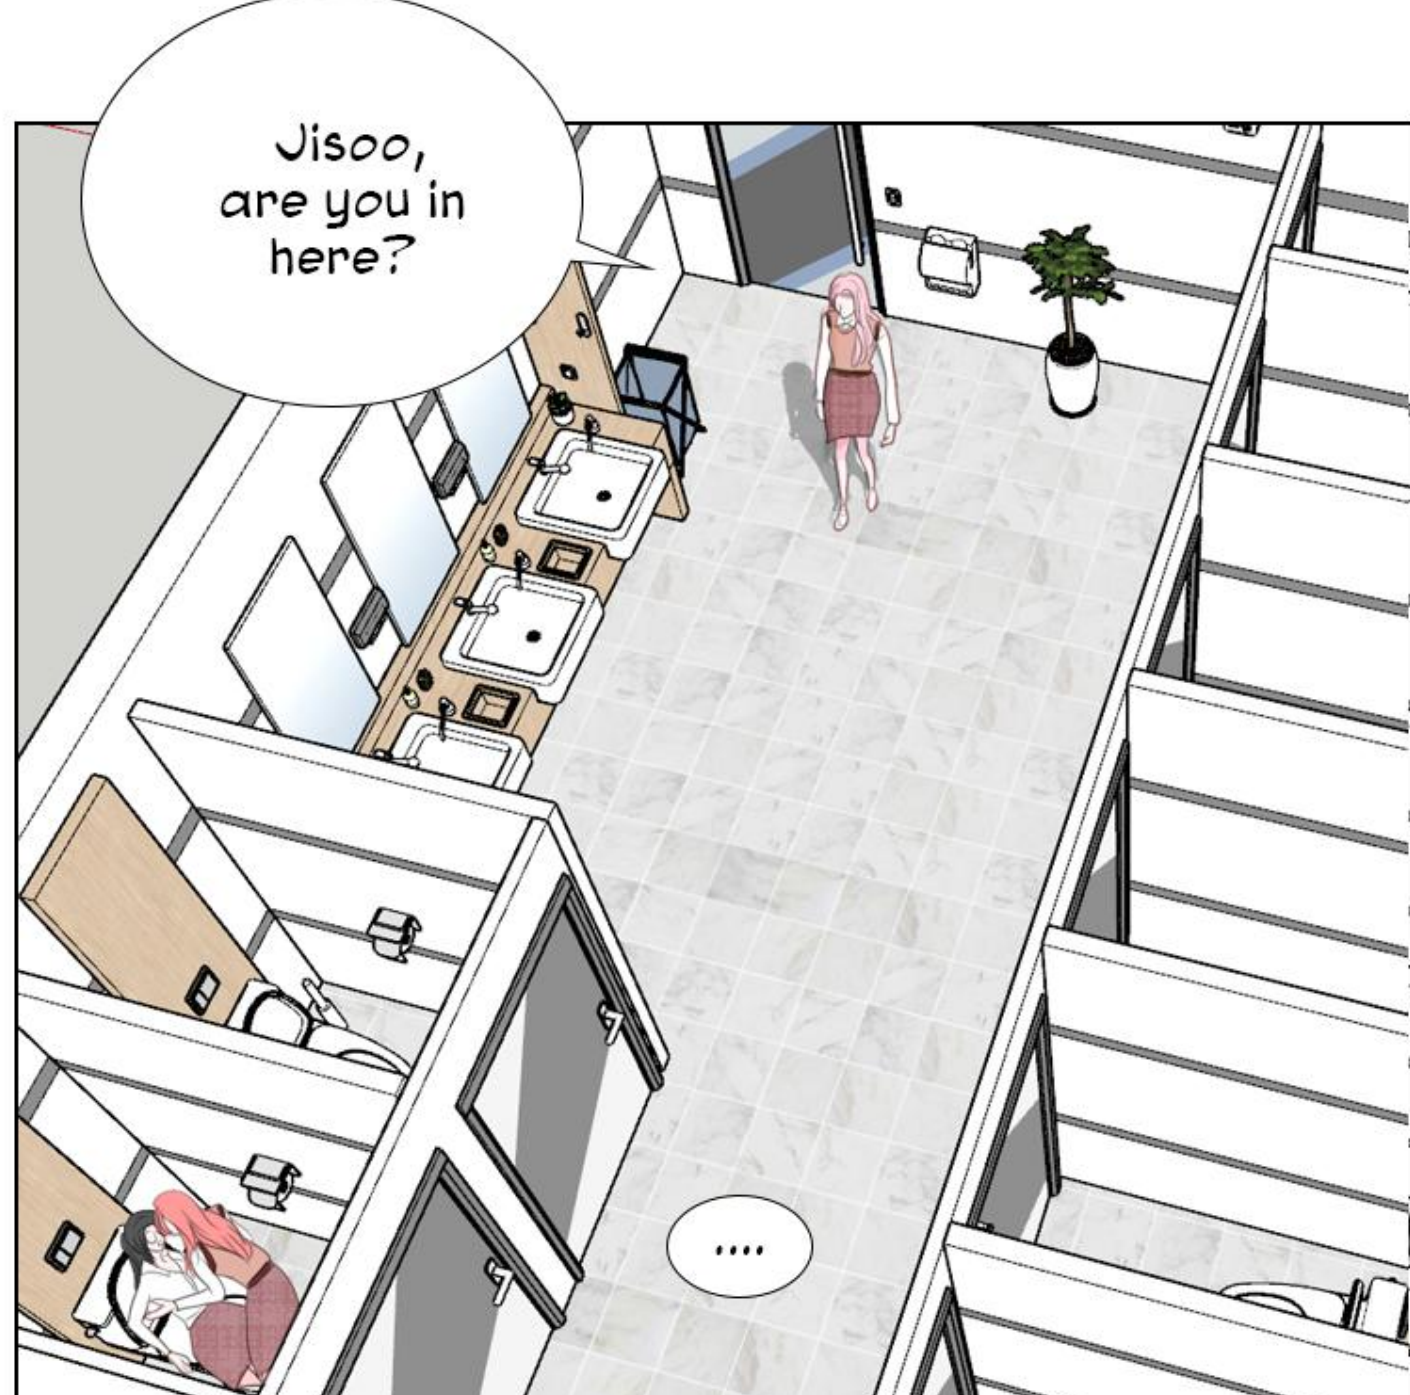

B...Bug?! It's not!

It's just a... uh, Friend-
Argh.. Nevermind!
It's better if you
don't know

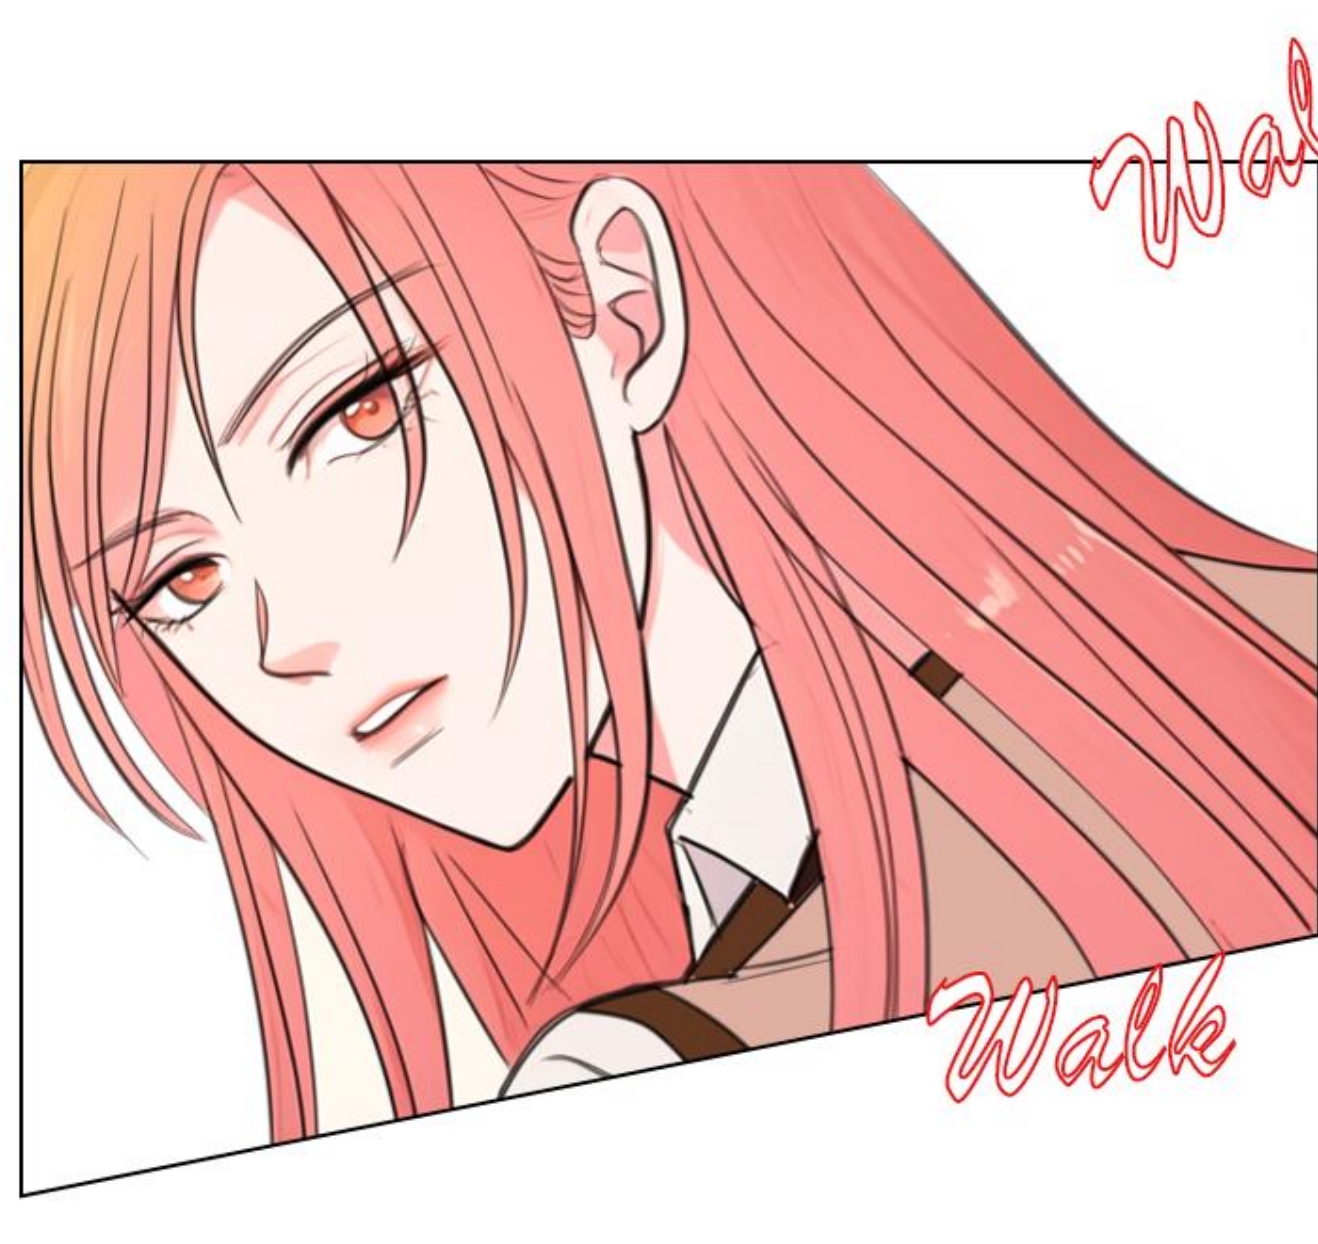

Why shouldn't I know?!
Quickly tell me! Was it-

Jisoo yah?

...Ah?

I heard your voice but wasn't sure if it was you!

.....

Walk

Be quiet and play along with me

Walk

Walk

Or else I'll
let her know
we're in here
together

.....
