The story begin with  
the peaceful Konoha Village..

Hah.. Hah..  
\*pant\*.. Nn..

Still good shape like  
the old time.. Sakura.

You too, Hinata.  
I almost couldn't  
catch up with you.

Well, thank you  
for practicing with me.

Y-Yeah, it's been  
a long time..

A character with short blonde hair, wearing a bright orange high-collared coat with yellow buttons, is shown from the chest up. They are wearing a white glove with blue diagonal stripes on their right hand, which is held out. The background is a soft-focus outdoor scene with green grass, trees, and a large rock.

Those were pretty nice moves from you two.

Even I have to impressed after all those time.

Oh..? I thought a Hokage should be really busy?

Not today, and I heard my friends returned..

A close-up illustration of Naruto Uzumaki. He has his signature spiky blonde hair and is wearing his orange high-collared jacket with yellow buttons. He has a slight, thoughtful expression on his face with his eyes closed. A speech bubble is positioned above his head, containing the text: "...So I wanted to ask you out for a meal. my treat." The background is a soft-focus outdoor scene with green trees and a fence. In the bottom-left corner, there is a small, faint watermark of a character's face.

..So I wanted to ask you out for a meal. my treat.

I'm very happy to  
go with you, Naruto..

After a short walk..

Many thing had happened lately..

I'm just glad that we are still here.

Me too.

Hey, I remember  
this way, aren't  
you going to..

Yes, to my most  
favorite place of  
all time!

Uwaaaaahhh!!  
It has been so long!

I.. think.. mine was a lot?

Just the outside.  
Come on, before  
it cold!

Night, Hinata's house.

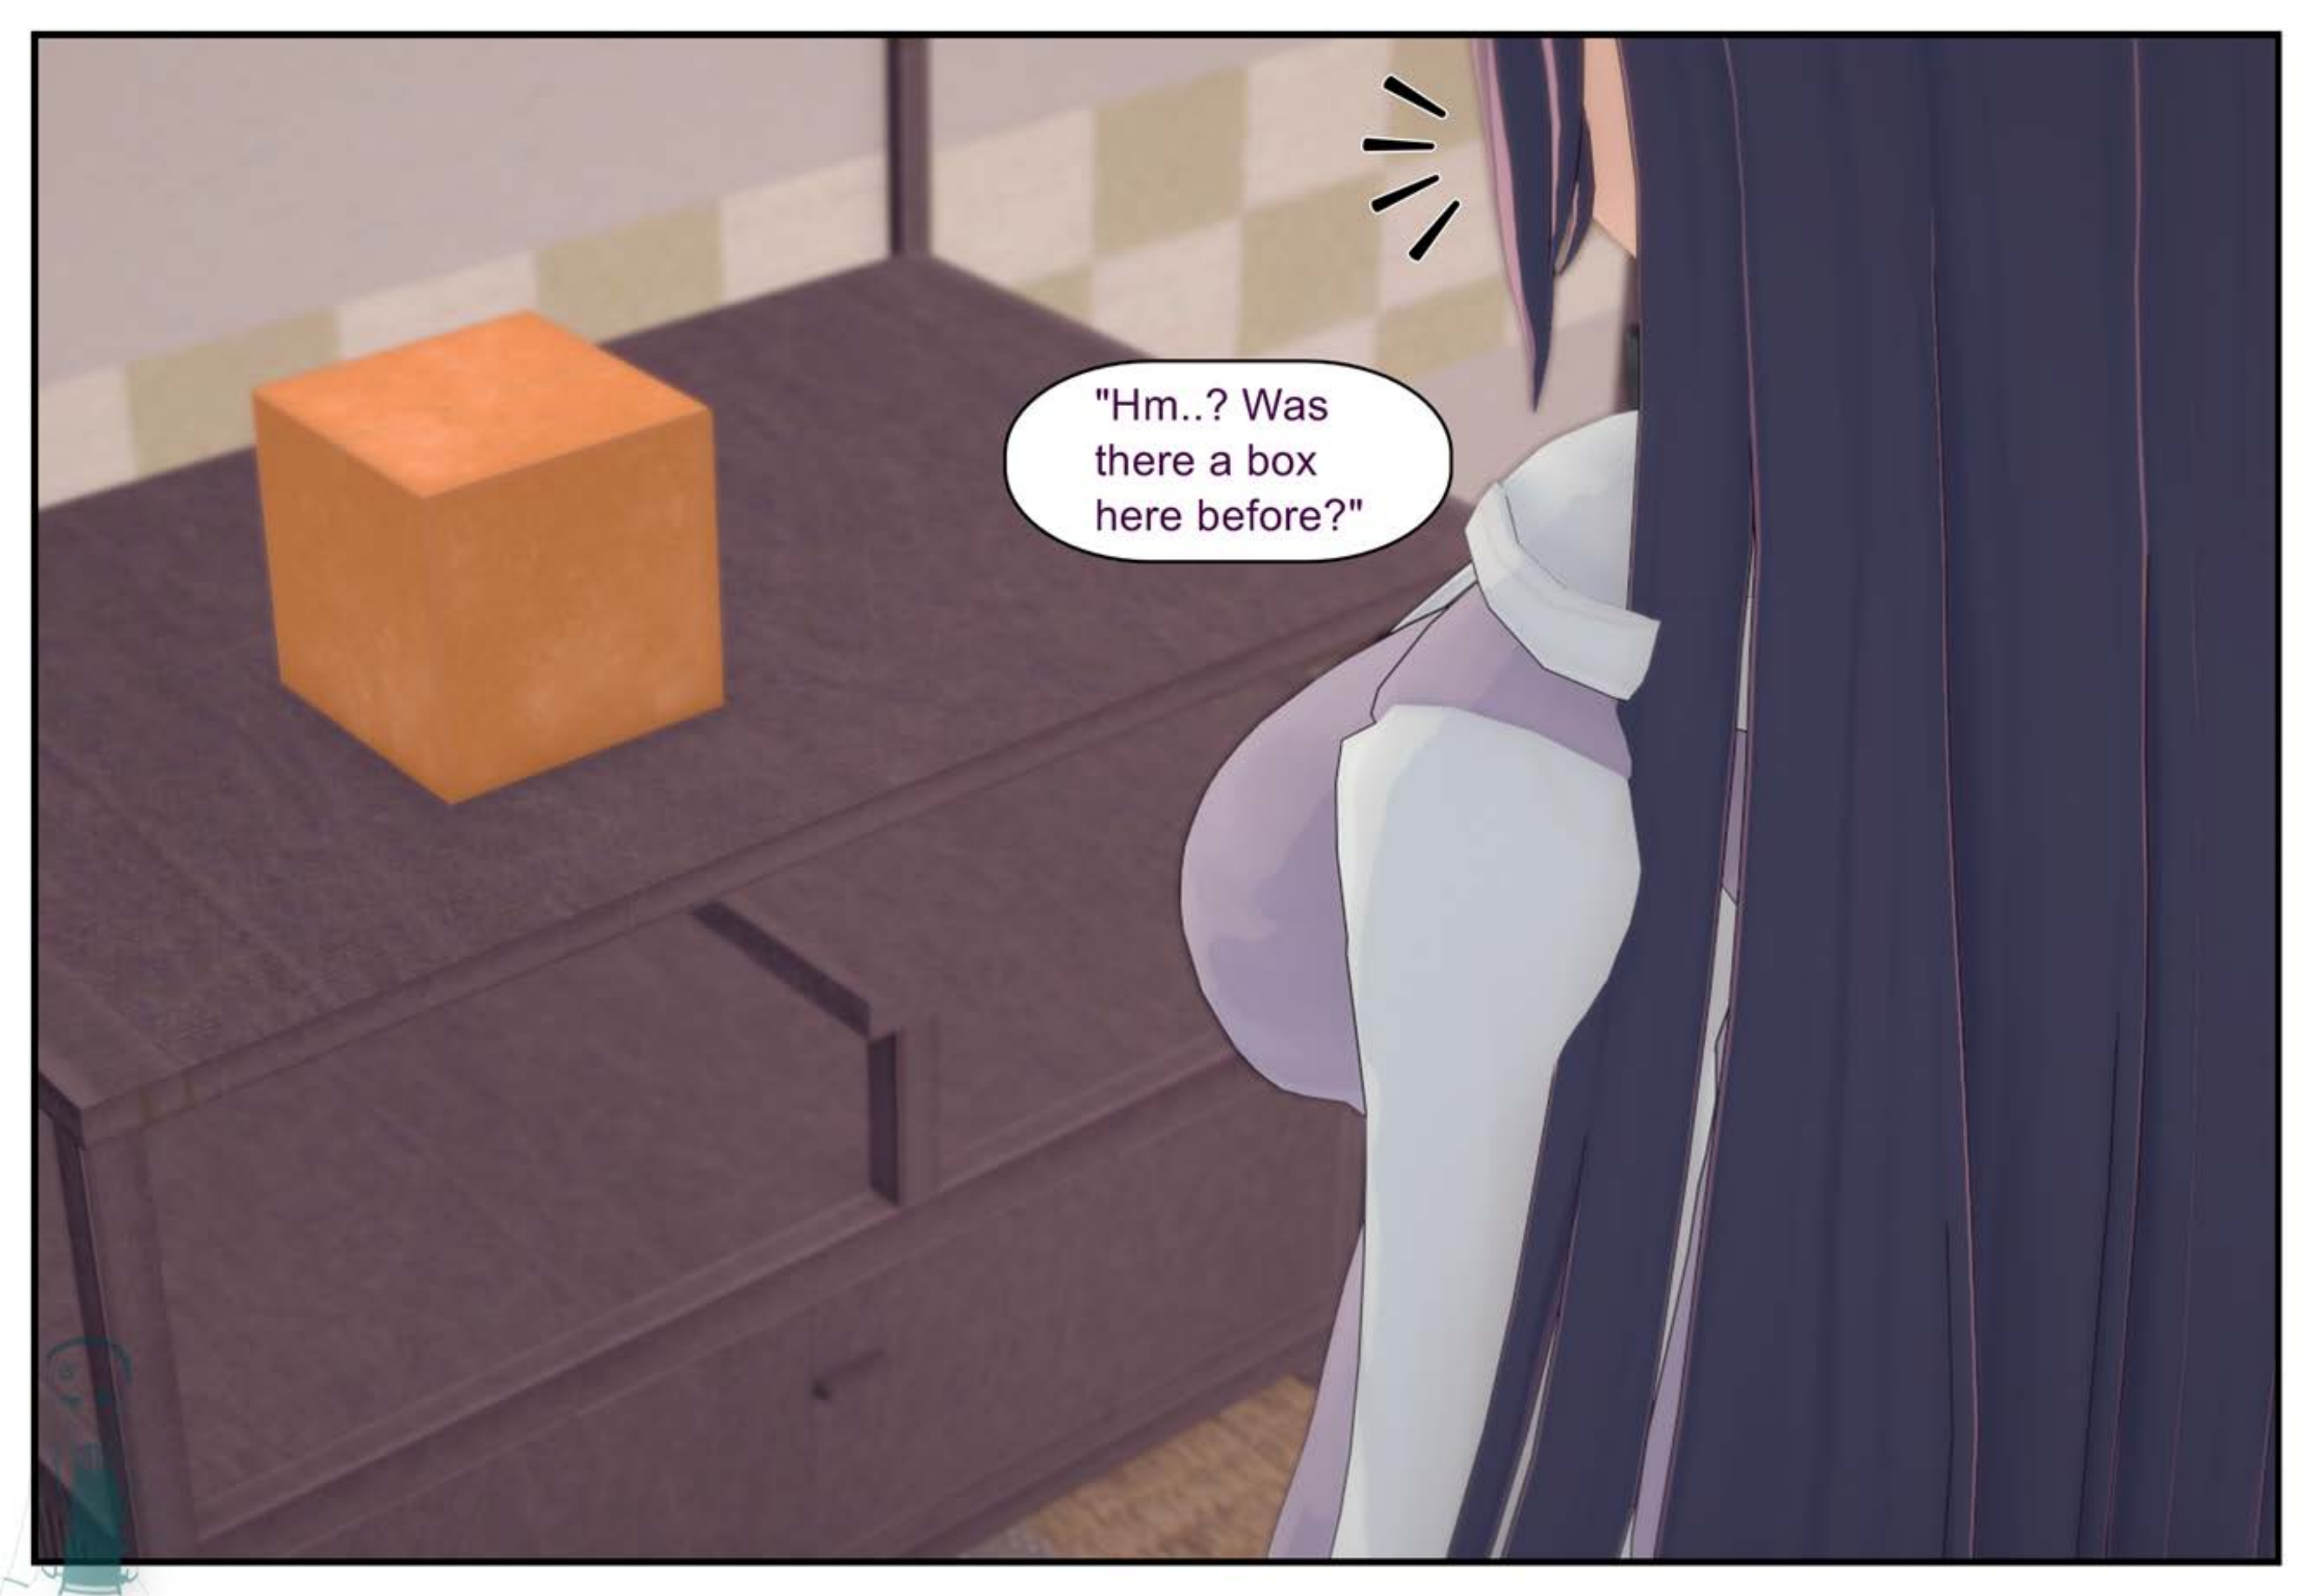

"I met Naruto again..  
but still.. something  
different.."

"Maybe.. he was  
meant for Sakura.."

A character with long dark hair, wearing a white and purple outfit, is looking at an orange cube on a wooden table. The character's expression is one of confusion, indicated by a speech bubble and a small burst of lines above their head. The background shows a checkered floor and a wall with a grid pattern.

"Hm..? Was there a box here before?"

I don't remember buying anything..

"Did someone  
wrong address..?"

This is.. an earring..?

A close-up illustration of a hand with pink nail polish holding a glowing purple orb. The hand is wearing a light blue sleeve. The orb is bright purple with a white highlight, suggesting it is glowing. The background is a dark, wood-paneled room with a window.

It's shining.. Nothing dangerous from it..

Should I..  
put it on?

Hey there, what are you doing?

I saw the door was left open.. Also, I wanted to check up if you were doing okay.

I saw you didn't  
say or talk any..  
Hm? Is that?

I think someone  
sent it to the  
wrong address..

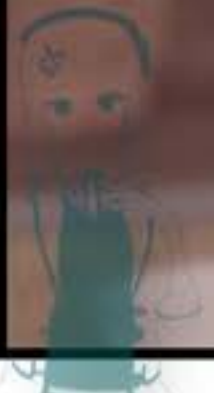

It's look beautiful,  
could it have the  
other side, too?

Okay, you put it on your right..

..and this will be..  
on my left.

Oh!! The earring  
look good on you, Hinata!

Haha.. Thank you..  
Feel like we are  
a couple..

Want to go out  
to drink something?  
For our new accessories!

That's a great idea,  
Sakura. Maybe call  
up our friends, too.

..Sakura..?

Sssh.. Someone else is here.. I could feel a weird charka.

I could see it too..  
Like it very close to us..

W-What's going on..!?!  
I'm being pulled!!

My body too..!!  
Is this a trap!?

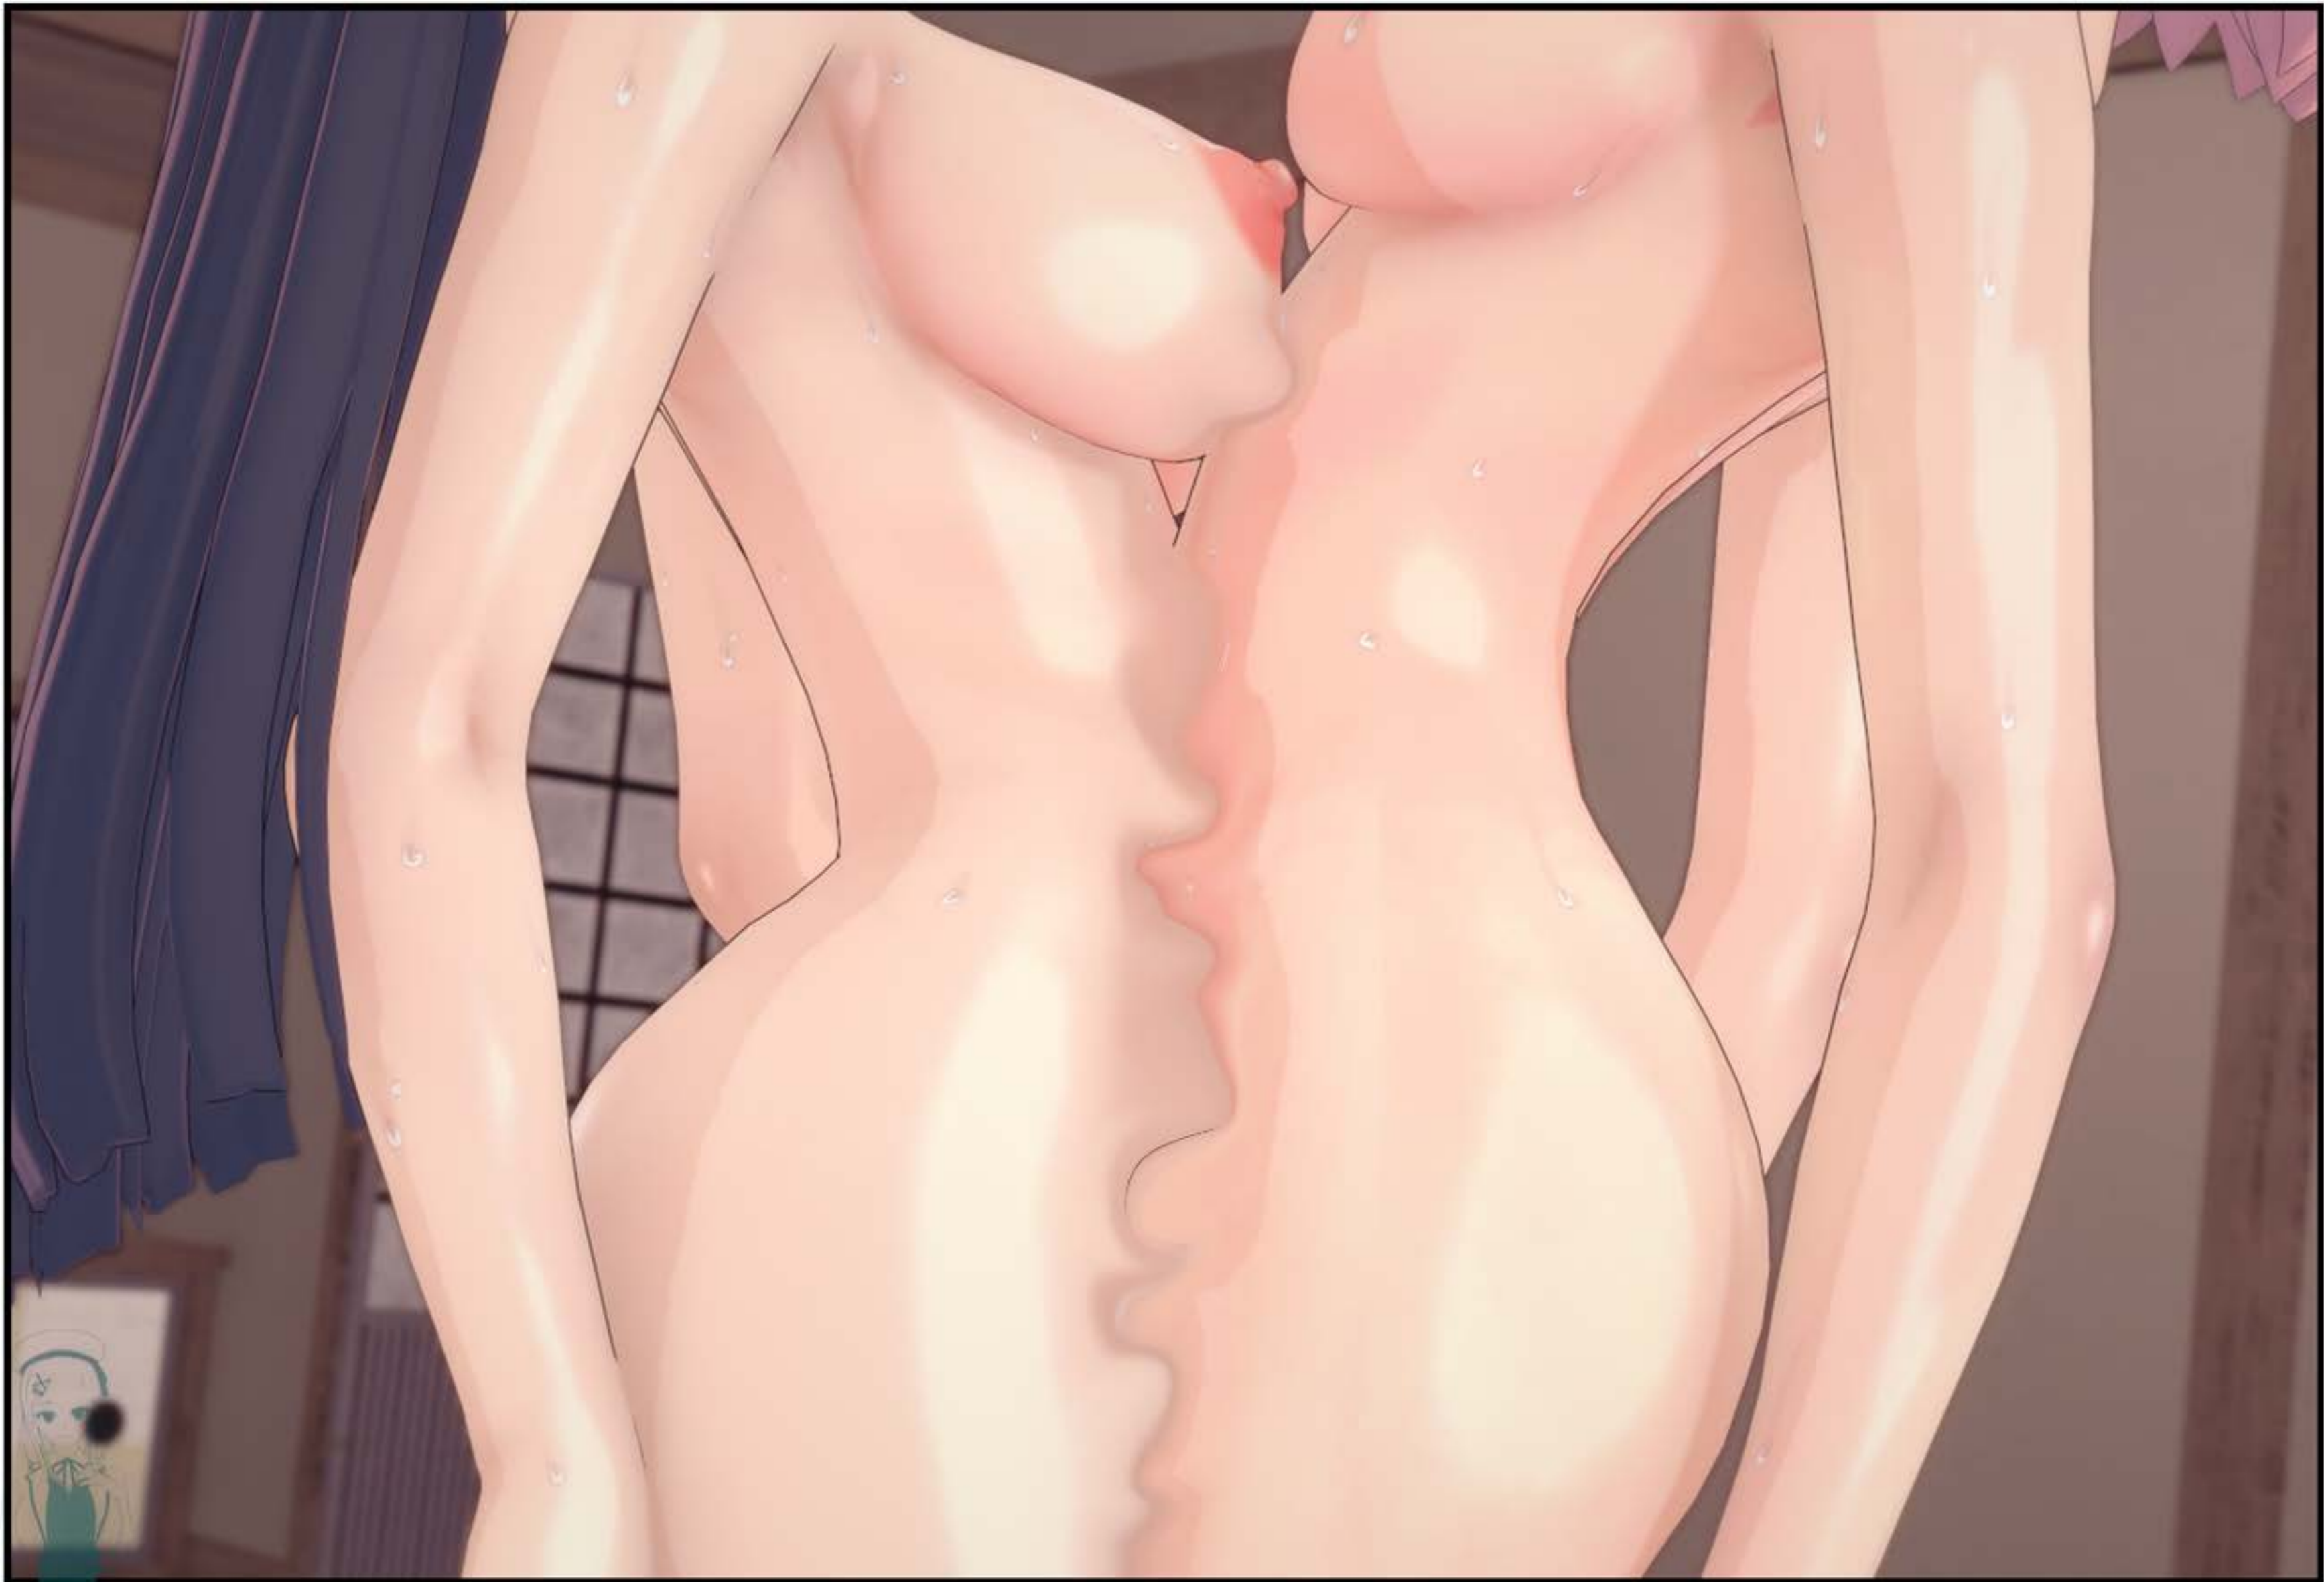

I can't.. move..

I'm stuck..

Hinata..!?  
Hey!! Are you okay!?

"Ugh.. I'm losing my mind.."

W-Wha..?

A pink-haired anime girl with large breasts is standing in a room with wooden beams. She has a surprised expression. Two speech bubbles are present: one with purple text and one with black text.

What in the world is this!!??

Uh.. What all the noise..?

Ehhhh..!!??  
Sakura!? Is this..!?

You tell me..!!  
W-Wait.. Hinata..

You mean.. This is us.. being fused into one!?

I don't know.. There must be a way..

W-What are we going to do now!?

The earring!! Yes,  
maybe it was the cause!

Alright.. Stand still,  
Hinata. Let me take  
this off.

Almost there..  
Just a little bit more..

Hinata..!?!? What  
is it!?!? Let me taking  
that off for us!

I'm sorry, but not right now, Sakura.

What in the world..  
are you talking about!?

I think.. it's better  
for us this way..

Hinata..!?! Hey!!  
This is not a joke!

Hinata!!!

This.. is my feeling..

N-No.. I'm not..  
Just a bit..

Haha.. I  
understand.

Don't worry, Hinata.  
I will help you.

S-Sakura..

For now, let's split up first.

Maybe.. sometime,  
we are going to  
fuse again.

It.. was a great experience.. About what you said..

Next time, I guess?

And so.. a new  
story begin..?
