You think that a day at the beach would be just fun in the sun with your friends. But after an exceptionally bright shine from the sun, these two guys found themselves standing amongs hot sand and a vast landscape that was previously their local beach. They immediately made way for the structure in the distance... an umbrella set up for a particularly

*Perfect! There's someone
who can help us. I'd hope to
just get out of the sun.
Quick, let's get her
attention!*

*Climb Her! She
seems to be passed
out so we will need
to get up to her
face*

*I will
climb from the front,
you try and work your way
around below to see if you
can get to her face!*

don't want to risk
her arm moving again, so
take the safer route
down and around.*

The climb was going to be no easy feat. The fabric was tight against her mighty chest, and with each breath she tested the bikini to see if it would maintain her modesty against a size fitting reserved for girls a few cups smaller. The tension on the straps however did not seem to bother the lumbering beauty.
