CLOSE QUIT GAME

A futuristic indoor garden with a central structure and a notification overlay. The scene is dimly lit with blue and purple ambient lighting. In the center, there is a large, dark, rectangular structure with a glowing blue light emanating from its base. The floor is dark with white lines indicating a path. There are several blue, bushy plants and two small, pink, robot-like characters in the foreground. A semi-transparent black box with rounded corners is overlaid on the center of the image, containing white text and a close button.

You're so cool!

New Speed Run Challenges are now available from CPU PLAZA.

Master the spring to beat this thing!
