

# MY GIRLFRIEND'S DECK OF SPELLS (PART 3 of 4)

By SigmaGal

*...Wow. Did I really  
dream I was Akemi's  
Dad's mistress?*

*It was... Weirdly  
pleasant? I'd better keep  
that to myself.*

A woman with long black hair is lying in bed, wearing a white bra. She has a thoughtful expression. Three black thought bubbles are positioned above her head, containing text. The background shows a wooden headboard and a light-colored wall.

*Urr... I'm too  
hungover to get  
up right now.*

*Maybe I could  
get back to that  
dream...*

*I can almost  
imagine Akemi's  
muscular chest  
is...*

...Eh?

Right! Let's  
get to that  
hotel!

Hey, slow down  
Meiko-chan! I'm just  
tying my shoes!

Don't you wanna say  
goodbye to the rest of  
the family?

**NO!**

It... Would be  
rude to wake  
them.

So...  
You dreamt  
you were my  
American  
boyfriend?

I don't get  
what you're  
saying, Meiko-  
chan.

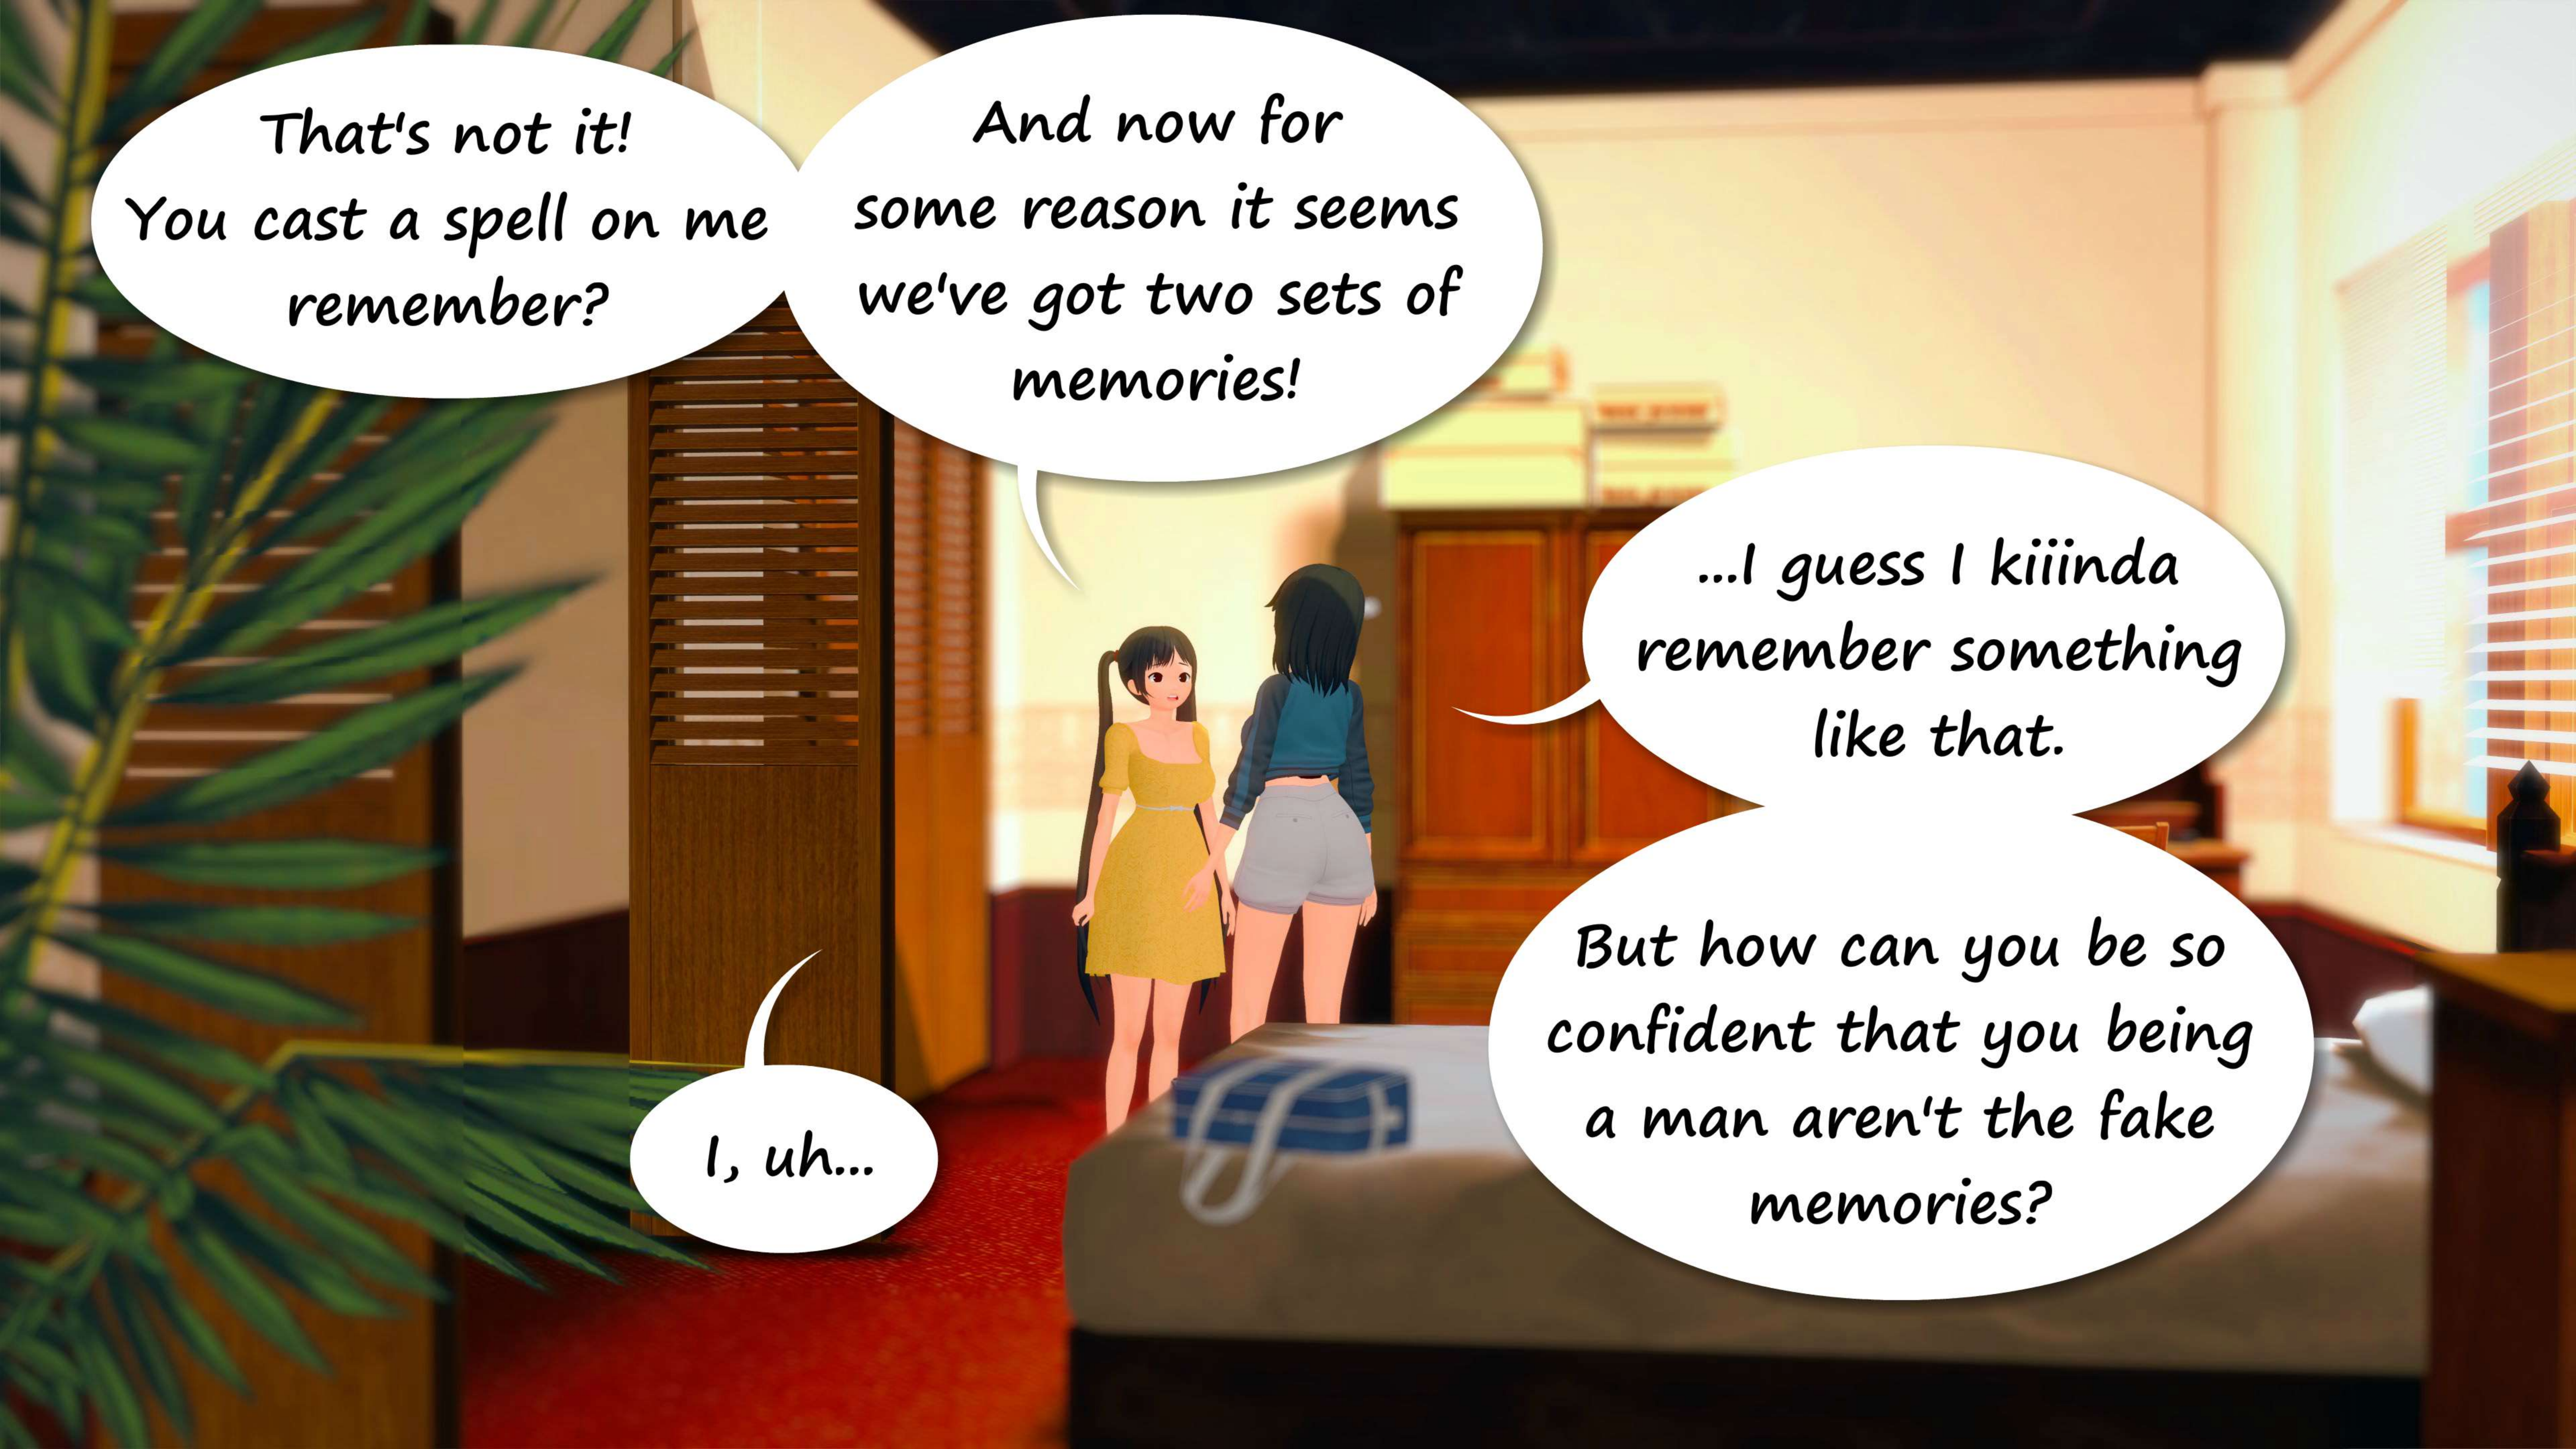

That's not it!  
You cast a spell on me  
remember?

And now for  
some reason it seems  
we've got two sets of  
memories!

...I guess I kiiinda  
remember something  
like that.

But how can you be so  
confident that you being  
a man aren't the fake  
memories?

I, uh...

A young woman with black hair styled in two pigtails with red hair ties. She has large, expressive blue eyes and a slightly open mouth, looking confused. She is wearing a yellow, short-sleeved top. The background shows a wooden wall and a red patterned surface.

We were pretty drunk last night. Maybe I cast some weird spell on accident.

Sorry Meiko-chan, I didn't mean to confuse you like this.

Umm... Wait, what about this hotel!?

Remember, we got this place so you could change me back!

We said we were gonna visit my friends and family, but they're all in America.

...Huh.

...Damn, now  
it's coming back  
to me.

...This all seems  
complicated. Wouldn't  
it be easier if we just  
forget about that  
old life?

I've got a  
spell that  
could...

Akemi-  
san!?! No!

SIGH

Fiiine, we'll figure something out... Just not today.

I didn't turn up any magic-undoing cards this morning, so we'll just have to hang out as friends in the meantime.

...Did I seriously use to date Meiko-chan? She's so meek...

Maybe we'll have so much fun you'll decide to say that way, hm?

That's not gonna-

Oh Meiko-chan, lighten up a little! You'll never have a good time if your mind is closed to it!

R-right...

はつね  
やきとり

麻雀  
2F

小料理  
るか ちゃん

巡音  
るか ちゃん

**GASP!**  
Meiko-chan,  
look!

A host club!

Wow, it's been forever since we've gone to one of those!

Oh yeah! I mean— Those memories aren't real you know...

So what? You 'used' to love them, and that's real enough.

Let's do it! I'm sick to death of American guys.

GIGGLE!

Um...  
N-no, we shouldn't, right?

Hey now!  
Didn't you promise I'd be in charge this trip?

Eh!?! W-why do you remember that part so clearly!?!?

Are you guys open yet? It's a bit early, I know.

Well we'd never turn away beautiful girls in need.

...Oh? It looks like one of you is feeling shy.

Ah, heehee...

Oh please, she's just acting cute for you.

No acting  
necessary. You're  
cute from every  
angle!

GIGGLE!

...Wait, um,  
I'm kinda in a  
relationship  
already.

Don't worry  
about that Meiko-  
chan, it's all in the  
spirit of fun!

You like  
fun, right?

*Ane-san, please!  
I don't want to make  
any new 'friends', I just  
want you!*

*Stop being so clingy!  
Don't you understand I'm  
giving you permission to  
fool around a bit?*

Remember how  
much we used to  
tease those guys at  
the old club?

Go wild, it's  
fine! See!

えーと

...Ehhhh!?

Hey! Meiko-  
chan!?

Tch! So  
rude...

P-please  
excuse me!

*There you are!*

*I'm getting sick of  
this attitude of yours,  
Meiko-chan.*

*I just want to have a  
good time vacationing with my  
friend, and yet you choose to  
embarrass me like this!*

Embarrass you!?

I'm supposed to be your boyfriend, Akemi-san! Flirting with guys should be out of the question!

Obviously you're not really my boyfriend though, are you? At least not right now.

B-but that doesn't mean-

Meiko-chan I SAW  
you last night with  
my Dad!

And you know  
what? I'm totally  
fine with it!

But don't pretend  
like I'm the one who  
can't be trusted in this  
relationship!

Th-that was an  
accident! I wasn't  
myself...

Like I said, I get it. You  
were drunk and 'magic'  
or whatever.

I just need you to stop being  
such a party-pooper and show a  
little more faith in your Ane-san  
while we're in this situation.

Here, this'll  
help you trust  
me more.

What's-

**NAIVETÉ!**

...Huh? Um,  
what did you  
do to me?

Oh, uh... See,  
that spell doesn't  
effect YOU.

It makes it so that  
it's impossible for ME  
to lie, get it?

Oh,  
okay...

So, you'll believe everything I tell you now, right?

Hehehe!

Right! Now I know you wanna get back to the host club, so let's hop to it.

Of course! You literally can't lie after all.

I do? ...Huh, guess I must if you say so.
