

It's Saturday morning and I'm working at the flower shop Dx. We've had a lot of work lately, I guess this was all thanks to the manager's brother. I don't know if you remember, but a while ago I had a photoshoot with Sci-Twi ... the theme of the photos were wedding dresses and everything related to marriage U_U... Technically we only went to deliver an order for flower arrangements, but there was a problem with the bride and groom and they couldn't show up for the session ... so, Sci-Twi and I took their place.

You: Hey, could you take that poster out of there? Dx.. that makes me very embarrassed!!

Manager: Are you crazy? Your photo in a tuxedo is perfect as an advertisement! XD.. This poster is pure gold! You also look funny, it feels good to laugh at you sometimes.

In the middle of my agony imploring the manager to remove that poster, I hear a scream ...

55-year-old woman: AAAAAAAAAAHH!!!

You: huh? :O

Manager: huh? O.o

55-year-old woman: You are the young man who appeared in the magazine "TIME to Canterlot".. im your #1 fan!! *O*

49-year-old woman: no! Im her #1 fan!

50-year-old woman: I can not believe it! Give me your autograph!

Out of nowhere, many women begin to crowd into the flower shop.. O_____o..

You: Oh .. thank you, but I didn't do much ... hehe

Damn, I don't know if I feel flattered or not ... and I don't want to sound rude, but if they were at least girls my age... Dx

Manager: Hey, you don't want to keep your fans waiting, do you? HKSADSJDAKSJD

You: **you look at your manager** shut up!! Dx

At the moment when I was going to try to control the situation, one of the women appears in front of me and gives me a "bear hug"... DX

You: OOOOFFFFF!!

65-year-old woman: You have a unique rudeness, silky hair, and it smells good! *0*

50-year-old woman: His cheekbones are like a gladiator's! *0*

42-year-old woman: Not to mention that for his age, he already has good muscle mass :D

55-year-old woman: With that tuxedo you look like a God of Olympus!

You: I appreciate it ma'am, but ... could you put me down?! X(

65-year-old woman: but first, give me a kiss, gallant young man!
°3°

55-year-old woman: me too!!

The ma'am begins to stretch her lips and get closer to my face !!
AAAAAAAAAAAAHH!!

You: NONONONONONOO!! Hey ma'am I'm like 50 years younger than you! This is not correct! Dx!! put me down please!!

65-year-old woman: awww you're so cute! °3°

You: eek!! Behave please! AAAAARG !! ... somebody help me! Dx

Centimeters from being crushed by the grandma, I hear a sweet voice, thinking that voice was an angel of heaven Dx..

Fluttershy: excuse me? :O

All women: huh? O.o

Fluttershy fix her gaze on you

Fluttershy: hi ^-^'

You: oh Fluttershy, just in time!

Grandma frees you

Fluttershy: oh hehe ^^

55-year-old woman: awww, she must be his girlfriend ☹️

49-year-old woman: Yes, it would be strange if someone like him is still single.

You: -, -'

Little by little, the women begin to leave the place, the crowd disappears in a matter of seconds. Although, their faces look disappointed ... why? O.o

You: Fluttershy, what are you doing here?

Fluttershy: Well, your manager called me from your phone saying you needed help ... so I quickly came here. O.o

You see your manager with your phone

Manager: you're welcome, dwarf.

You: manager? Oh, you really are worried about me! T-T

Manager: nah, I did it because those grandmas were destroying this place! Dx ... my sweet flower shop!!!

The manager kneels on the floor and starts screaming like a child e.e XD

You: in any case, thanks Shy, you save my life!

Fluttershy: no problem hehe ^^ .

She really came at the perfect time, whatever the manager's reason; my safety, or the flower shop, those women left.

Manager: okay kiddo, damages will be deducted from your next pay.

You: WHAT?! Hey that's not fair! why! DX

Manager: Those old women came here and destroyed my beautiful flower shop because of you! And you know something? They didn't even buy me a simply rose!

You: because of me?! I told you to take out that stupid poster of me wearing the tuxedo! Dx ..

Manager: OOH watch out! The gallant of women is here!

Manager and me are arguing at high decibel levels ... and for a moment I forgot that Fluttershy is here with us Dx

Fluttershy: ahm... Hello? I think this is not a good time to argue. Mister manager, I think that if your clientele sees you angry, it will not be a good image for you or for this beautiful place ^^, You know better than I do that flowers and roses mean peace and harmony for people and the environment :)

Manager: you are right, sweetie girl.

Fluttershy: aaaaaand.... there is a person here maybe interested in buying something :S

** The manager looks at that person**

Manager: bro? :O

You: it's you?!

I also see that person whom Fluttershy mentioned, and it's none other than the manager's brother, owner of TIME of Canterlot magazine O_O.

Man in suit: hahaha! Here is my boy!

the manager's brothers hugs you

You: aaaaaAAAARRGH!!

Man in suit: You remember me right? :D

You: I wish I didn't remember you x(

Manager: Can I help you with something, brother?

Man in suit: I came to give you your royalties for using your image in the magazine, it was a success!

The manager's brother gives me a large amount of money !! MY GOD! I can finally quit this job and buy my PonyStation 5!! ... but however...

Manager: AHEM! Give me that, kiddo.

The manager takes my money O_____o

You: WOAH!! That is my money!

Manager: you mean, OUR money. This will help to pay the cost of the mess those old women made because of you. Thanks 😊

You: I have a slight suspicion that you are pissing me off...

Manager: Hey, take it easy. I'm not a scammer ... have this money and take this sweet lady out on a date.

Fluttershy: huh? O///O

You: huh? O.o

A date?

Fluttershy: That's not necessary ... I mean ... I'm sure you have a lot of work and ... ◡///◡

Fluttershy's face suddenly flushes while she stutters a few words ... avoiding contact with me ... OMG, she looks so cute like this!!!

Manager: Nah it's okay ... **manager look at you** You can take the day off, kiddo.

You: ahm.. thanks?

Well ... I suppose I could date with Fluttershy, if she doesn't have anything better to do.

You: Alright then... ... So, Fluttershy... do you want...

Fluttershy: YES! :D

Woah, I didn't even finish the sentence XD

You: Okay, let's go.

Fluttershy: sure heehe ^_^

Just when I leave the flower shop ... the manager's brother stops me.

Man in suit: You two look like a real wedding couple! *0*

Fluttershy: huh? ◡///◡

Not again please! Dx

Man in suit: I know the perfect place for the two of you to have your dream date!

-5 seconds later-

You: what is this?!

Fluttershy: it's so beautiful!! *0*

You: Oh I see. Those photos were really improvised, I mean, it was a favor for the manager's brother, that's all. You understand me, right? hehe ... besides, I think she already has someone else. I will not go into details sorry huehue.

Fluttershy: Well yes, but since Twi met you now she has doubts :S

You: what do you mean? O.o

Fluttershy: eek! Nothing! Hehe ^///^.

Fluttershy sighs

Fluttershy: But, you still haven't answered me...

You: oh sure... ahem... well, I guess so. I'm still too young to get married, you know? I don't want to think about that, besides, who am I going to marry? I don't even have a girlfriend hahaha.

Fluttershy: hehe ^^. It's true...

...

...

Awkward silence XD

Fluttershy: Ahmmm... speaking about that... would you like to have a girlfriend? o///o

Fluttershy looks at my face ... and with that, I can notice her cheeks slowly turning red while she says those words o.o

You: aah—ahm... That came out of nowhere ... well... yes, I think having a girlfriend would be great.

Fluttershy: really you think that? :O

You: of course! I can imagine that she and I would go out holding hands, eat ice cream, go to the amusement park, watch videos and movies together while eating popcorn, play videogames, etc ... that would be great.

Fluttershy: ...

In a matter of seconds, Fluttershy is silent, unable to speak.

You: Fshy? Are you okay?

Fluttershy: aah!.. yes, sorry hehe.

knock – knock

Just in time to remove this awkward talk for me, someone knocks on the door ...

Cameraman: sorry hehe... you, the sweetie girl. Can you come with me please?

Fluttershy: huh... ¿? O_O.. who-who are you :S

You: it's you! My mortal enemy in the photoshoot with Twilight!

Cameraman: you again?! Come on man, are you always surrounded by pretty girls?! Give me a break, punk!

Fluttershy: ahm... what do you need, mister cameraman? :S

Cameraman: oh right... My boss thinks you are perfect!

Fluttershy: perfect for what? O///O

Cameraman: The second part of our photoshoot of course! :D

Fluttershy: what¿! :O

You: WHAT?!

The manager's brother enters the room

Man in suit: Miss Fluttershy, right? I want you to be on the cover of my magazine this month ... With all due respect, I think you are the perfect girl. You show that innocence of a sweet and tender girl, but also concerned about her friends.

Fluttershy: O_O

Man in suit: In addition, you will be in charge of showing our new wedding dress! I am sure it will look very beautiful! Please! Help us!

As I imagined ... I knew there was a trick here!

** Fluttershy looks at you **

Fluttershy: Me, in a wedding dress? Accept! 😊

Man in suit: EXCELLENT! Come with me, miss Fluttershy. And you, please wait for her here ^^ . See ya!

The cameraman, the manager's brother and Fluttershy leave the room ...

...

You: woah... I'm not going to lie, curiosity eats me! I really would like to see Fluttershy in a wedding dress, I am sure she will look beautiful! *O* Hmmmm....

For some reason, I start to think about what Fluttershy said:
"would you like to have a girlfriend?"..

You: hmmm....

-30 minutes later-

You: zzzzzzzzzzzzzzzzzzzzz....

???: AAAAAAAAAAHHH!!

You: WUADGJAHASDJSADGSCBN!!...

Woah, it looks like I fell asleep! However, that is not the point here! I clearly heard a scream and I'm sure it was a woman !!

You: What was that!!

I quickly run in the direction where I heard the scream ...
Apparently it was in the room on the top floor! Upon reaching my destination, I don't think twice and charge over the door, knocking it down ...

You: Get away from that
womaaaaaaAA
AAAAAAAAAHH!!!! WHAT!!

Female staff member: AAAAAAAAAAAAAAHHHH!! She is so BEAUTIFULL!!! *0*

Cameraman: *click* -- *click* ... perfect!

Man in suit: I have never seen a girl as perfect as her ... this magazine will be another success Im sure!!!

Fluttershy begins to smile, while she turning around with her wedding dress ... making very happy not only the cameraman, but all the staff members, who are dazzled by such beauty before their eyes.

You: :O

On the other hand, I cannot say a word. o///o

Cameraman: aaaaand DONE!! Excellent miss Fluttershy! Thank you for your help!! :D

Fluttershy: hee hee ^^.. no problem.

The manager's brother notices that you are there

Man in suit: Oh you are here ... and just in time! What do you think? ^^

You: ...

Female staff member: Speechless, right? It's normal ^^. Im a genius :D!

Fluttershy notices that you are there as well

Fluttershy: ooh... hi ^///^

You: ... Ah!!

I try to hide my gaze, but it is useless, I am completely flushed!

Man in suit: Sorry not to tell you earlier boy. The truth is that as you can see, our magazine is going to write an article on wedding themes again. I didn't plan to ask you, but when I went to the flower shop to give you your royalties, I saw Miss Fluttershy ... she had that charisma that I was looking for! For that reason, I decided that she would be the face of our company this month!
:D

You: the face of your company?!

Man in suit: Of course! She will be on the cover of our magazine this month!

Fluttershy: I was a little nervous at first, but if I can help your manager's brother, I will do it ^-^

Man in suit: thank you Miss Fluttershy! I have some business to take care of now, please enjoy the suite and your date ^^
Everything you order for eat will be free, so don't worry! And thanks again!

Everyone leaves the room except Fluttershy and me.

Fluttershy: You still haven't said anything ... ☹️

You: about what O///O

Fluttershy: oh... i see... no-nothing.

Fluttershy falls silent again with a slightly sad expression, as if she is waiting for me to say something about her.

You: ...

I would be a crazy idiot if I didn't know ... it's obvious that she wants to know how she looks in that wedding dress ... Like Twilight, she just wants to know someone else's opinion... or that I think.

You: ahem... I'm sorry, I have to recover from such an impression of see you in that dress :S ..

Fluttershy: huh? :O

You: I was stunned... You look so beautiful that I can't find words or synonyms in my dictionary to say how wonderful you look right now.

Suddenly Fluttershy's face turns a deep red! I'm sure my face is like a tomato too! What am I saying!

Fluttershy: heehee ^///^ ... im so happy to know that ☺...

** Fluttershy takes a deep breath**

Fluttershy: because... I also think you looked very handsome in that tuxedo >///<!

You: eep! o///o... oh hehe... thanks ^^'

Fluttershy: you know...

Fluttershy starts walking as the wind blows through her hair ...

Fluttershy: When you said what you would like to do if you had a girlfriend ...

We both exchange glances...

Fluttershy: It was the same thing that I imagined I would do ... with you ...

You: PFF!!!! WHAT?!

** Fluttershy takes other deep breath**

Fluttershy: I don't want to hide it anymore! >///<

Fluttershy takes a determined stance ... she looks like another girl! :O

You: Hide what? O_O

** Fluttershy fix her gaze on your eyes**

Fluttershy: I'm in love with you! >///
...

...

...

You: you... what?

Fluttershy: I'm sorry but I don't want to hide it anymore. Every day I want to be close to you ... I would like to be that girl with whom you play video games, I want to be that girl with whom you watch movies. I want to be that girl that you hold by the hand! ... >-< .. I would even like to think that in the future, I could wear this beautiful wedding dress with you by my side!

Suddenly, the door opens ... It's the manager's brother.

Man in suit: Sorry to interrupt you, but Miss Fluttershy, I need you to come with me... I'll take you to our female staff member to change your clothes.

Fluttershy: o-okay...

Fluttershy and the manager's brother leave the place, leaving me alone.

...

This can't be true, right?... Maybe she's just confused, that's all...
... .. What do I do now ... O_O'.. Im completely paralyzed!!!

-END?!- Dx
