

I wonder how many chicks
I can pickup if
I will go to club.

This body gives
me confidence.

A lot of confidence.

Brlbrlbr!

Ahhh, well done,
my slut, well done!

Thanks,
I experimented
with it
and it must have
worked if you liked it.

I love how your
cum tastes,
so sweet and
so intoxicating
as wine.

I want to
know more
about it later.

Are you going
to Gregory?
Well then, Julia
and I will have
some fun here.

*Okay, be careful,
she's not as experienced
as I am.*

You have great assets,
especially I like
these mommy milkers.

Do you like it when
I massage your titties
like that? Huh?

Let's move to next step.

Mh-mmm.

Mmmmm.

These mittens will still restrict you, but you can move your hands.

Cool thing.

Get ready,
I am going to use
another hole.

A woman wearing a shiny, purple latex bodysuit and a matching mask stands in a modern, well-lit house. She is positioned in a hallway or living area with patterned wallpaper. In the background, a dining table with chairs and a staircase are visible. A white speech bubble is positioned to her left, containing text.

I'll check first the bathroom.

*It will be a jackpot if
I find him there,
especially if he's naked.*

Mmmmmhmm!

Ugh!

DOLL

Oh yeah!

Look at this
Greek God!

I want to give myself
completely to such
beautiful man.
