[Verse]

A **Bbdim7**
 Blame it all on my roots I showed up in boots
Bm **E**
 And ruined your black tie affair the last one to know
E7 **A**
 The last one to show I was the last one you thought you'd see there
A **Bbdim7**
 And I saw the surprise and the fear in his eyes
Bm **Dm7**
 When I took his glass of champagne
E **E7**
 I toasted you said honey we may be through
E **E7**
 But you'll never hear me complain

[Chorus]

A
 'Cause I got friends in low places
A
 Where the whiskey drowns and the beer chases
Bm **E**
 My blues away and I'll be okay
A
 I'm not big on social graces
A **A7**
 Think I'll slip on down to the oasis
Bm **E** **A**
 'Cause I've got friends In low places

[Verse]

A **Bbdim7**
Well I guess I was wrong I just don't belong

Bm
But then, I've been there before

E **E**
Everything's alright I'll just say goodnight

A
And I'll show myself to the door

A **Bbdim7**
Hey I didn't mean to cause a big scene

Bm **Dm7**
Just give me an hour and then

E
I'll be as high as that

E **E**
Ivory tower that you're livin'

E **E**
That you're livin' in

[Chorus]

[Verse]

A **Bbdim7**
I guess I was wrong I just don't belong

Bm
But then, I've been there before

E **E7**
And everything's alright I'll just say goodnight

A
And I'll show myself to the door

A **Bdim7**
I didn't mean to cause a big scene

Bm **Bm7b5**
Just wait 'til I finish this glass

E **E**
Then sweet little lady I'll head back to the bar

E **E**
And you can kiss my ass!

[Chorus]

Ten Thumbs
