

4 YEARS LATER

I just finished
the exams and went
straight here

Yeah,
I'm there right now.

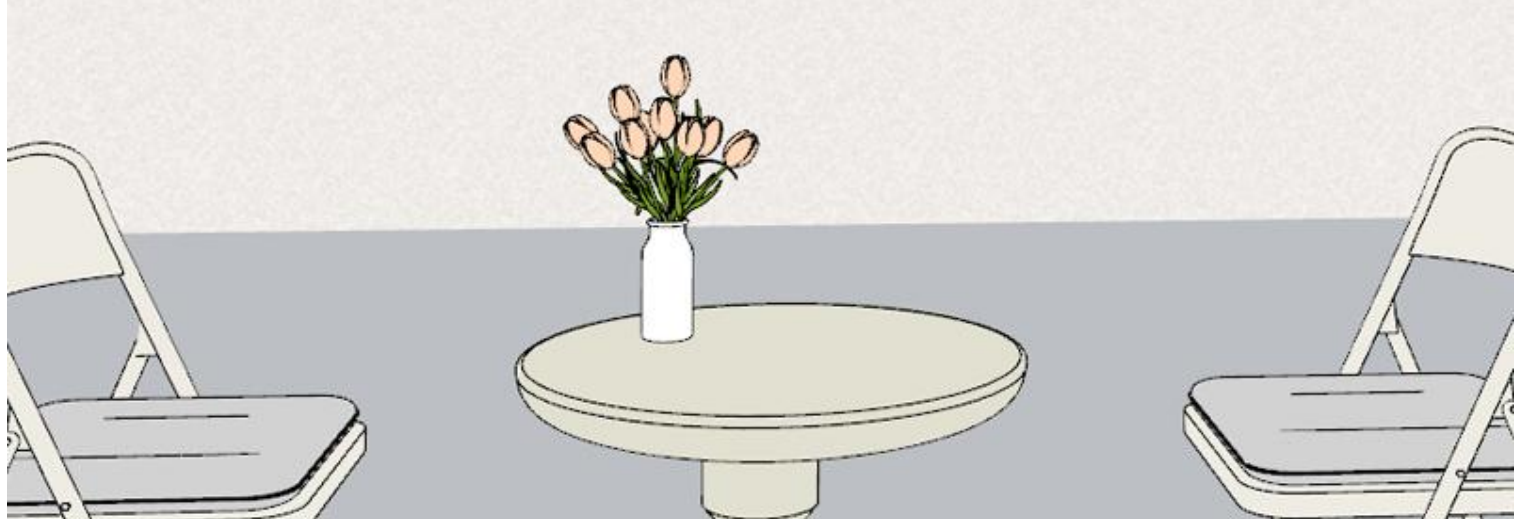

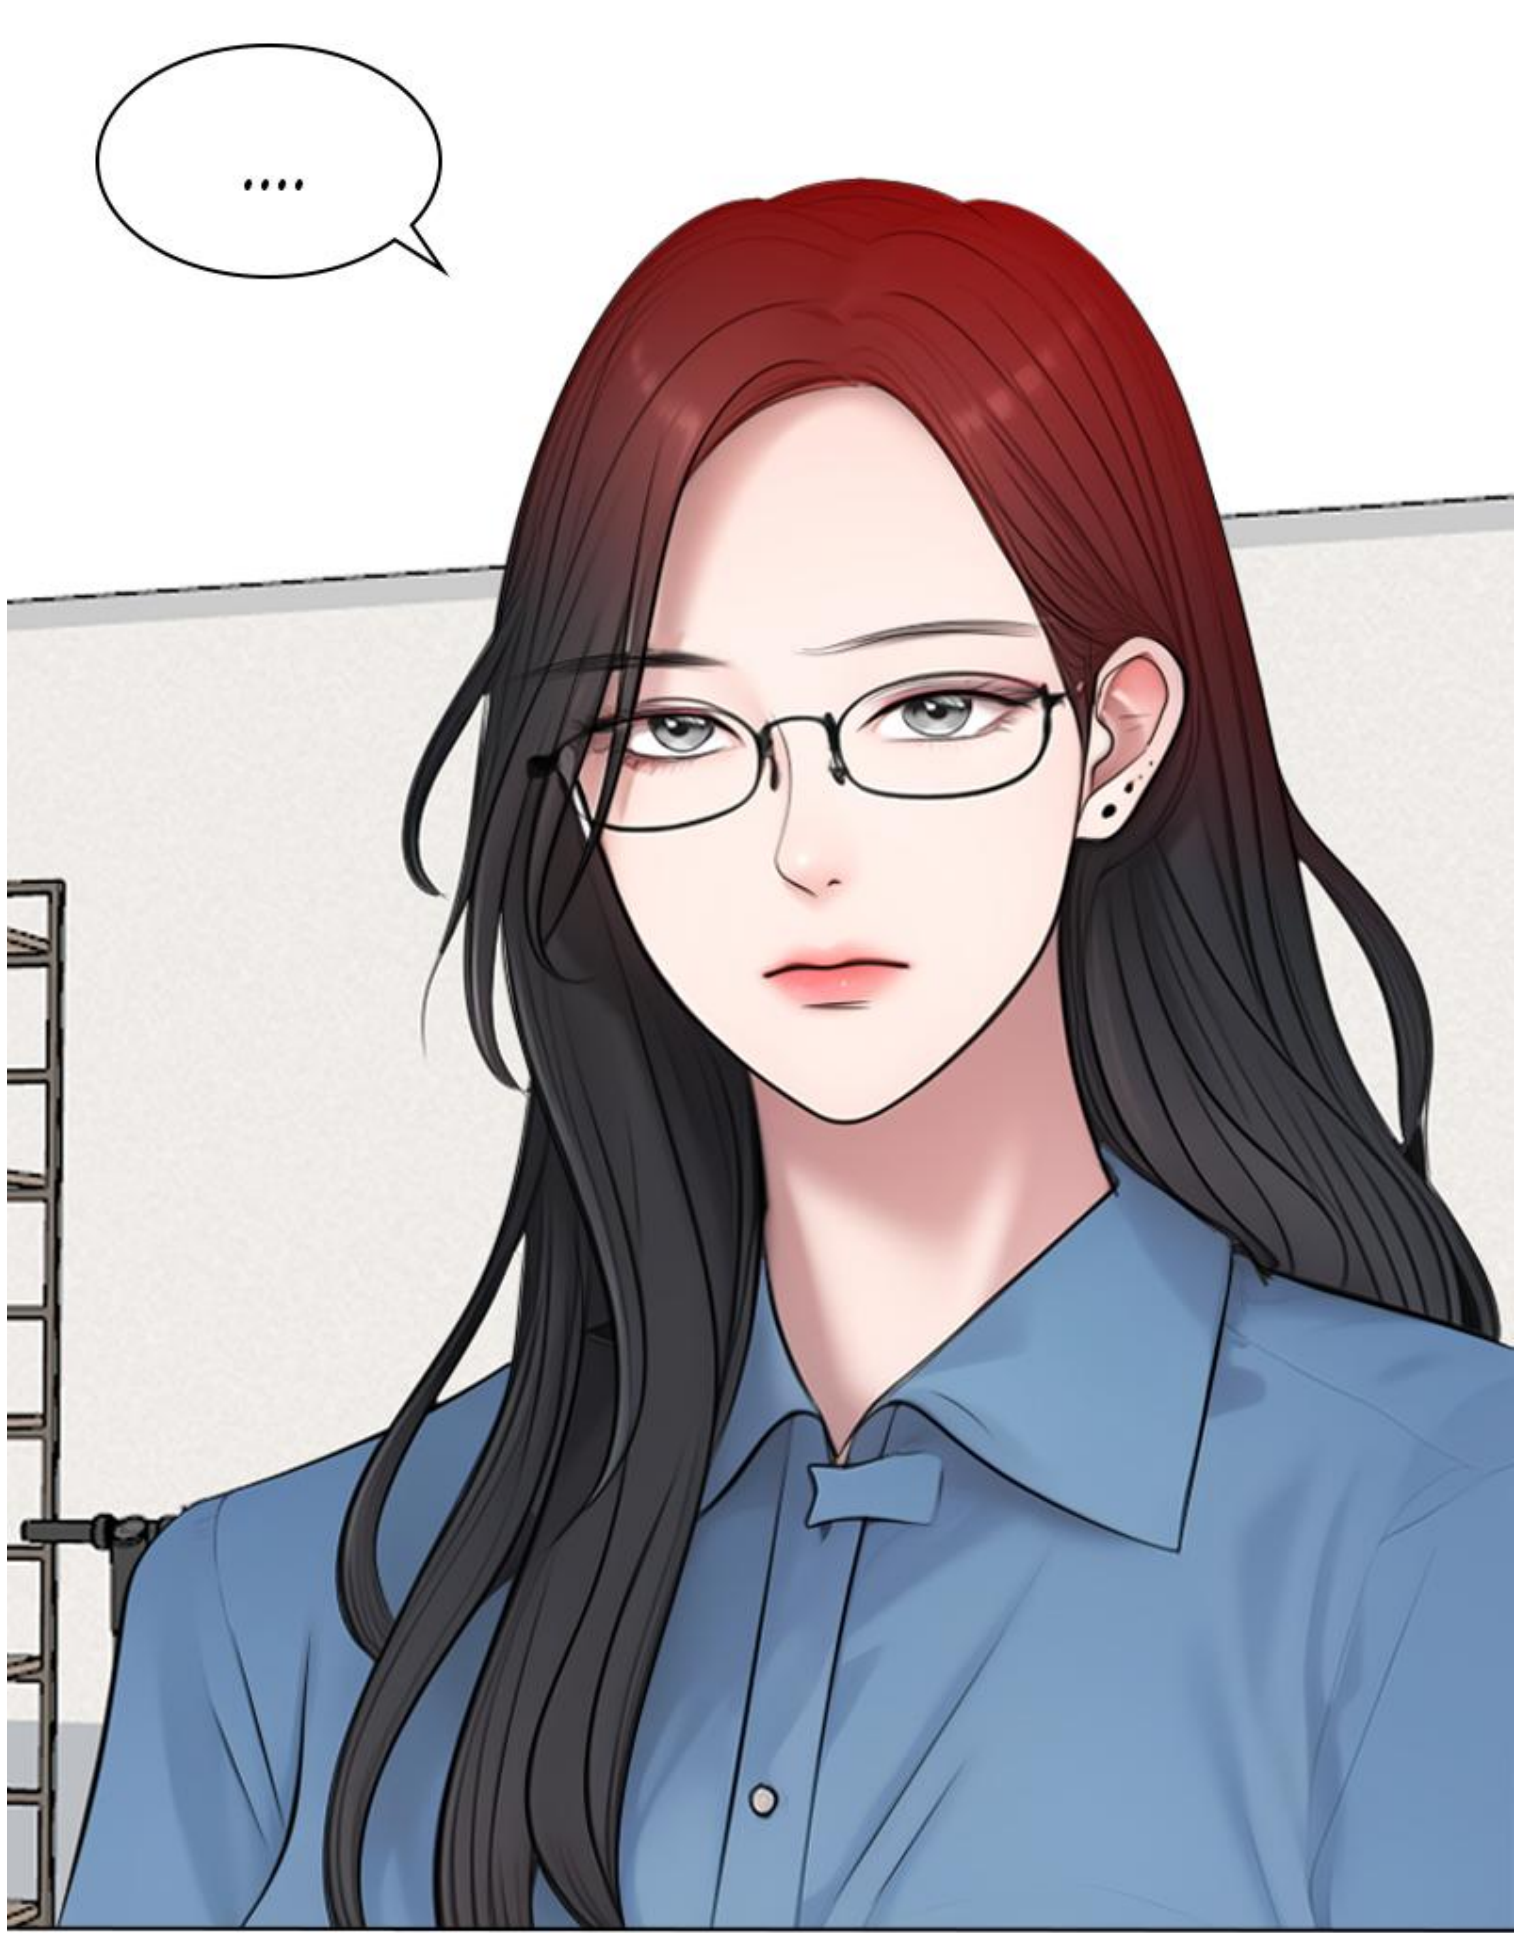

The place
looks amazing,
just like you
described.

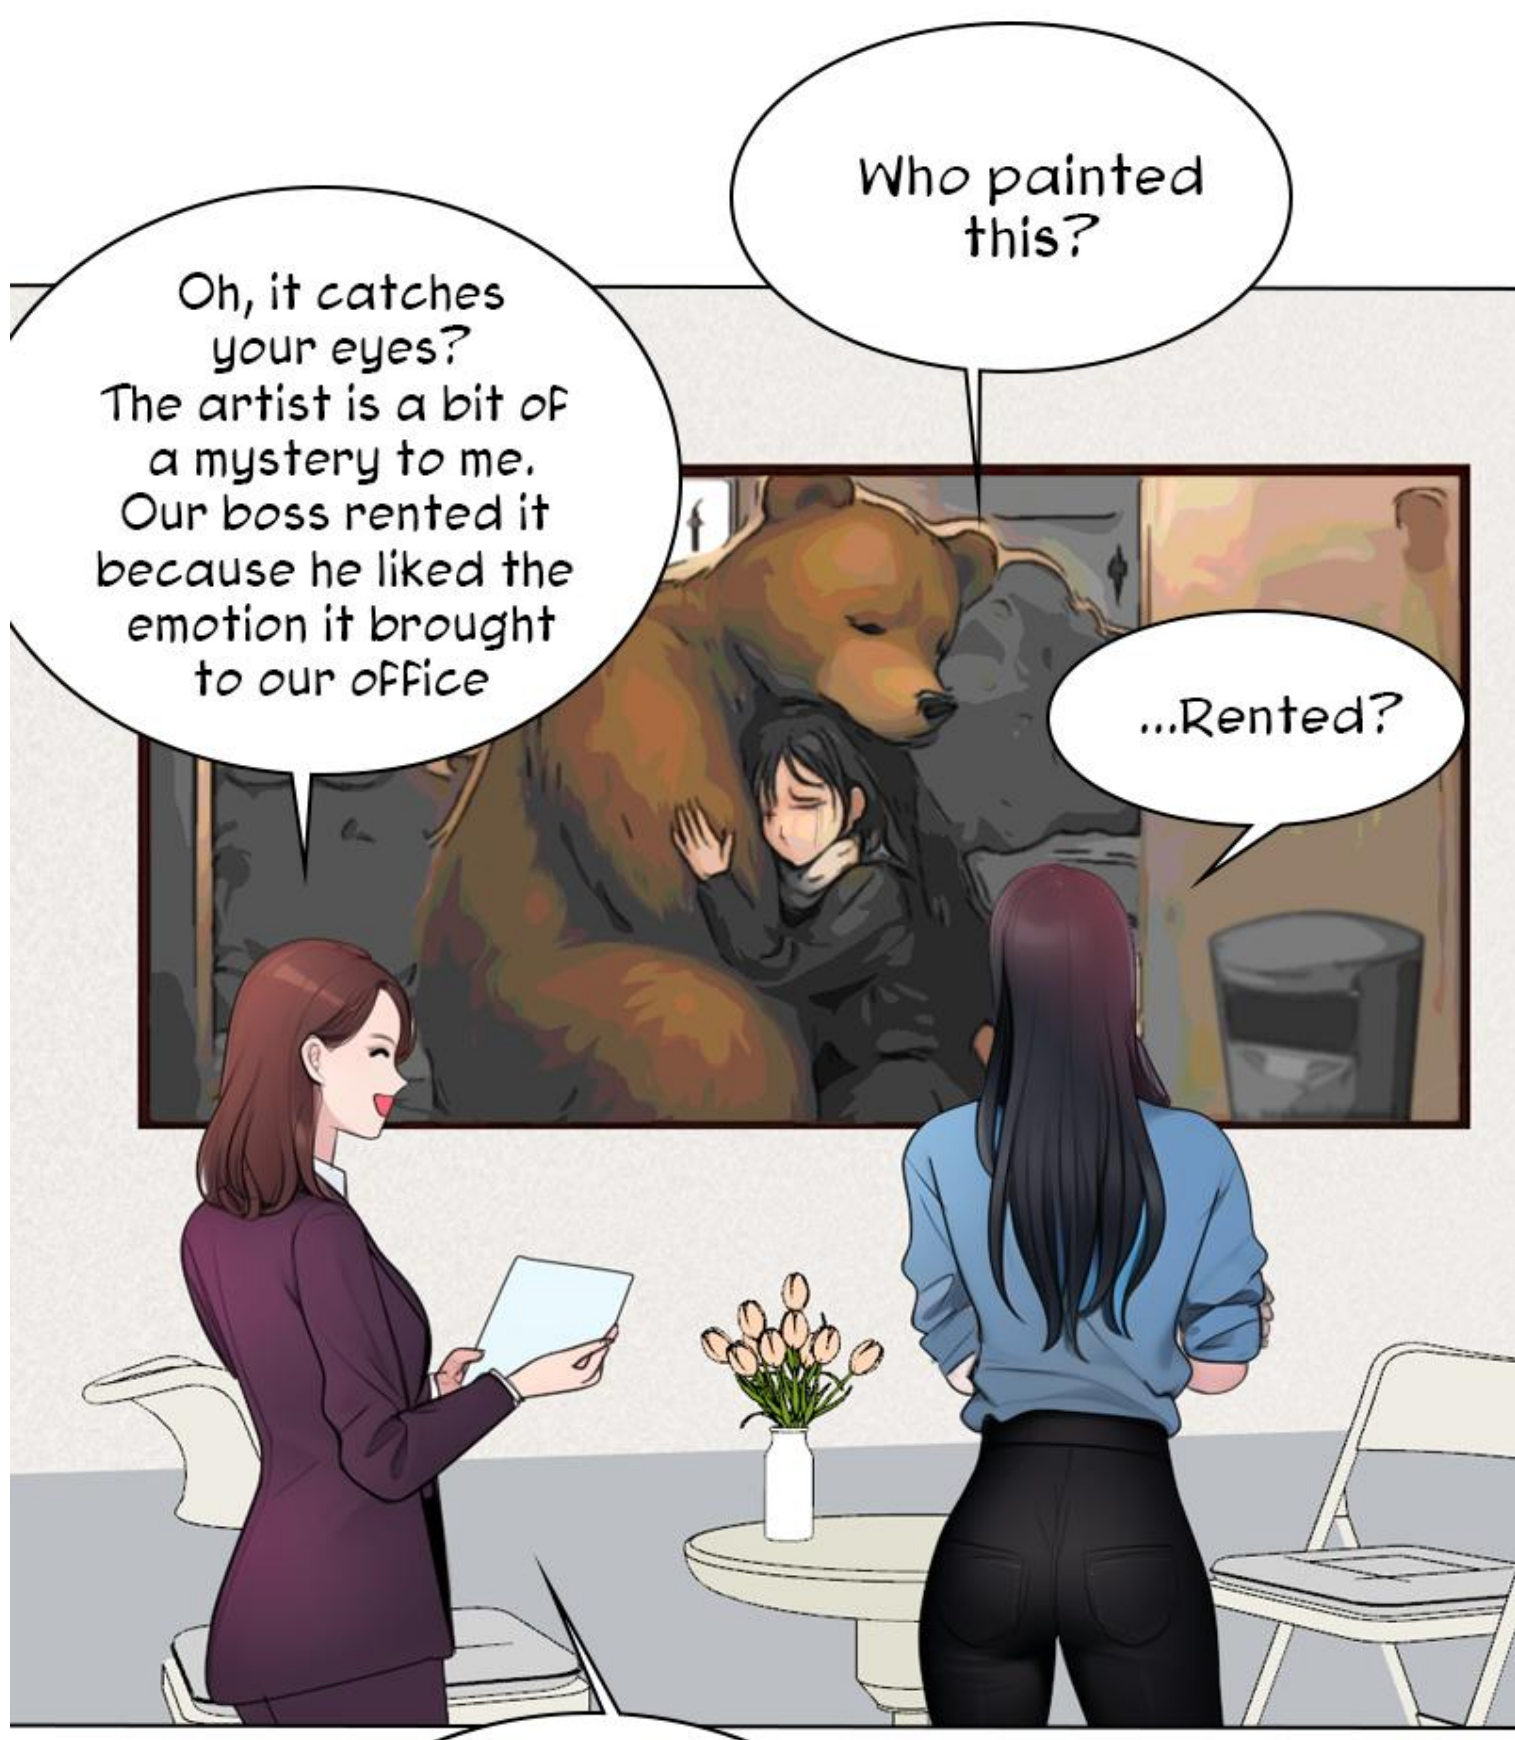

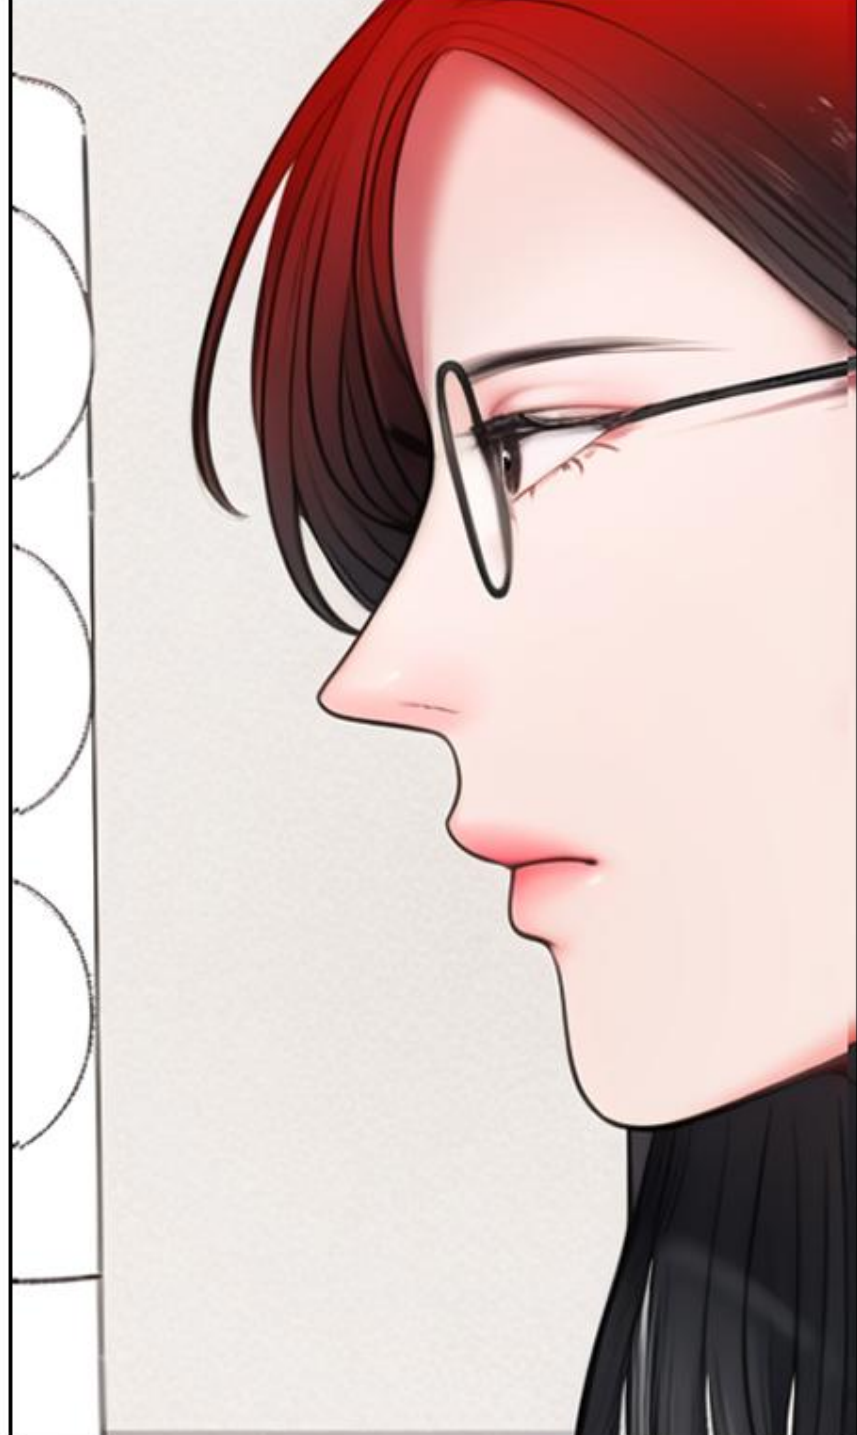

Huh?
Today? Sure

Okay,
see you later

Yes.
It's a rental piece!
It's been here for
a couple of years

At first
our staff member didn't
seem to enjoy having it there,
But there's something
special about it that
it caught everyone's eyes
slowly.

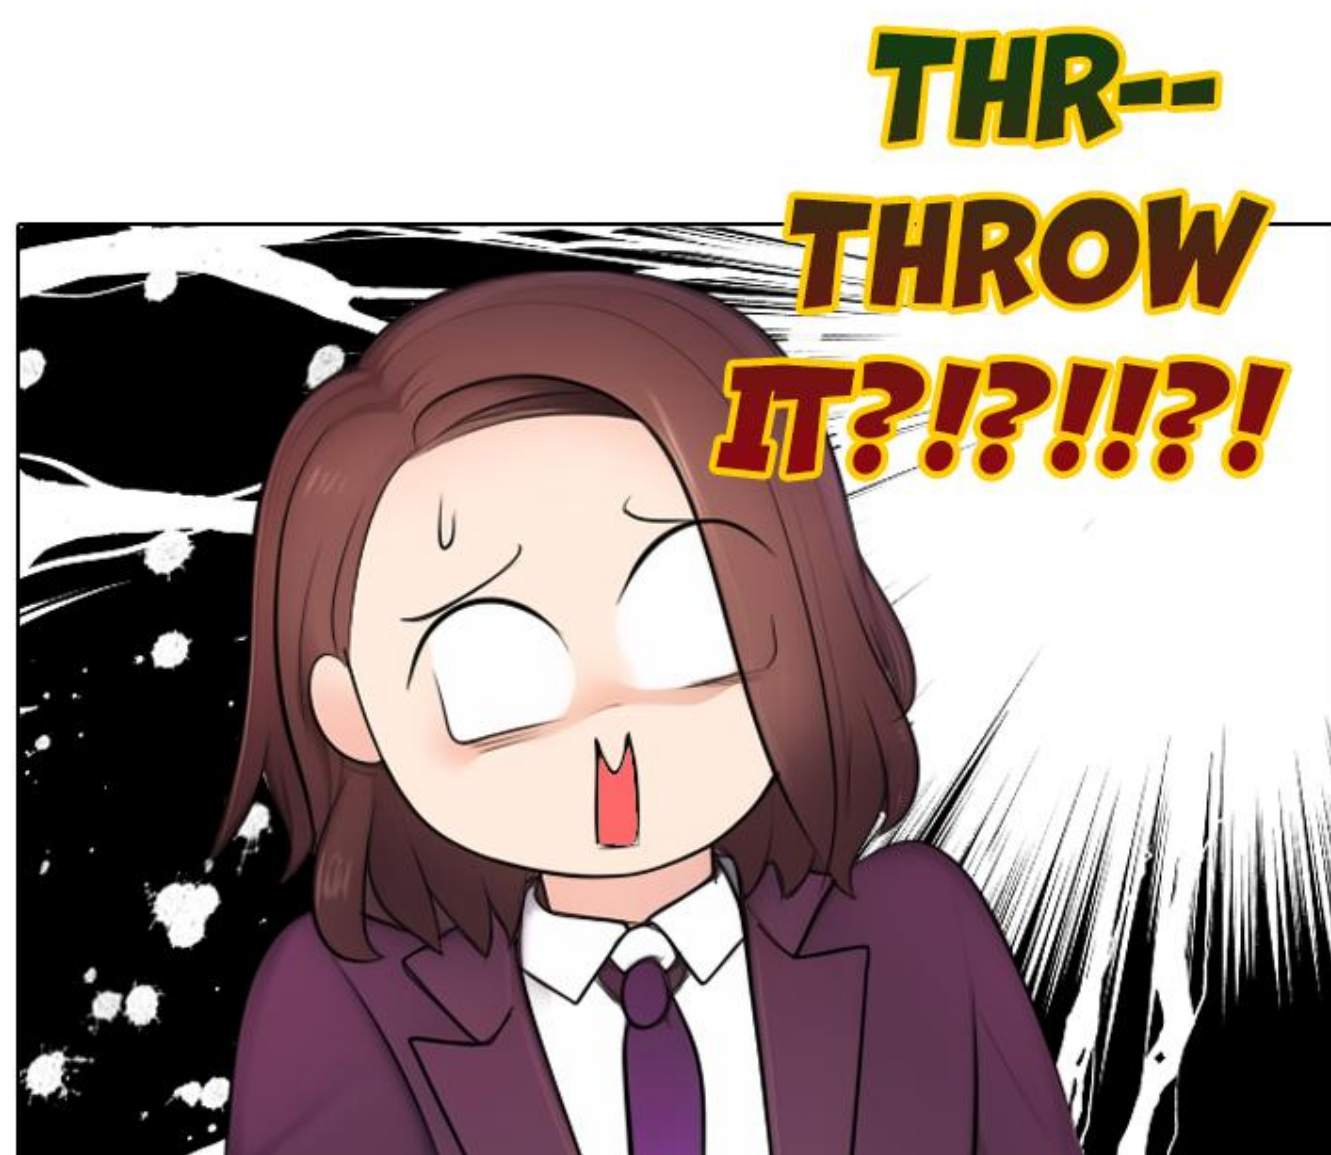

I heard that was fresh out of high school when they painted it

The coloring might seem a bit amateur but on overall, I think it's captivating

THROW IT!

**THR--
THROW
IT?!?!?!?!?**

Ah...Excuse..me?
Can...
Can I know of
the reason?!

I couldn't stand
the thought of
working here with that
picture hanging on
the wall.

I'm...really sorry
to hear that,
but it's not easy
to replace,
given it's not ours
to sell.

It's just a picture,
take it down

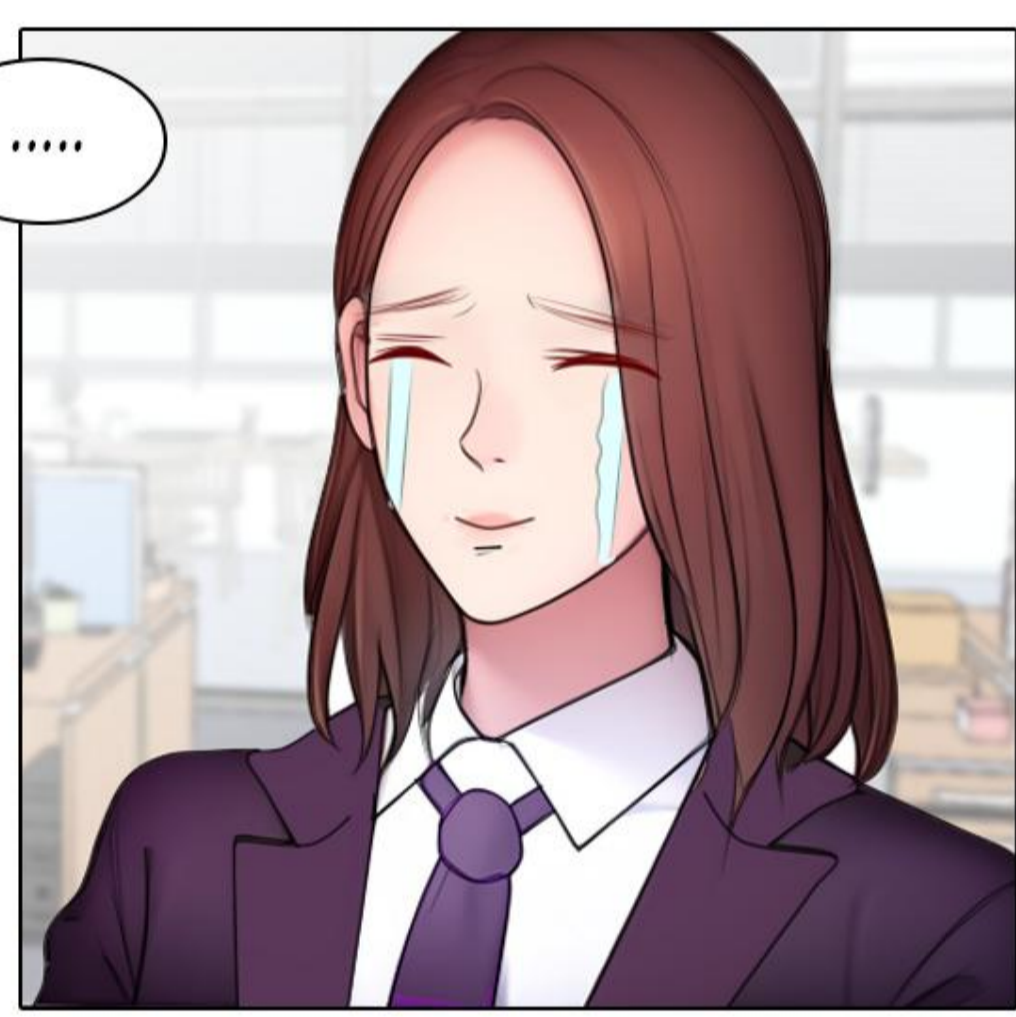

S..Sure..
I'll consult with our
boss and see if
there's any room
for negotiation

....

I don't want
a negotiation

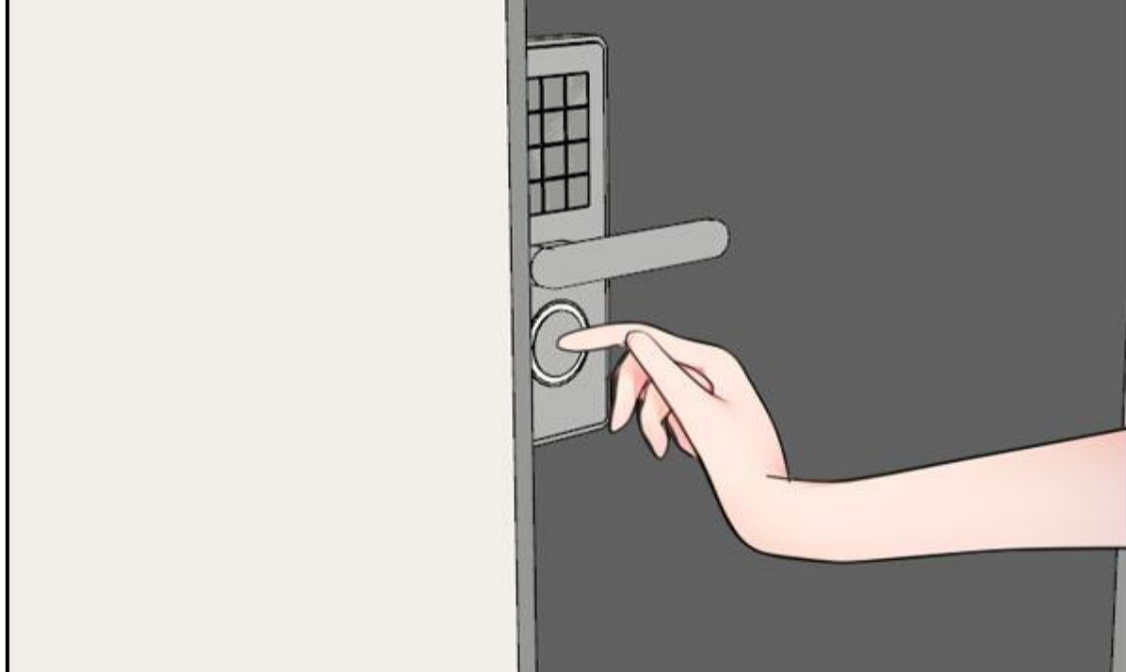

....

It's either
you take it down
or I'm out looking
for another
place

Jisoo?
You come early.

Oh!

How did it go?

It's fine,
but I'm not sure
if I should take
it in.

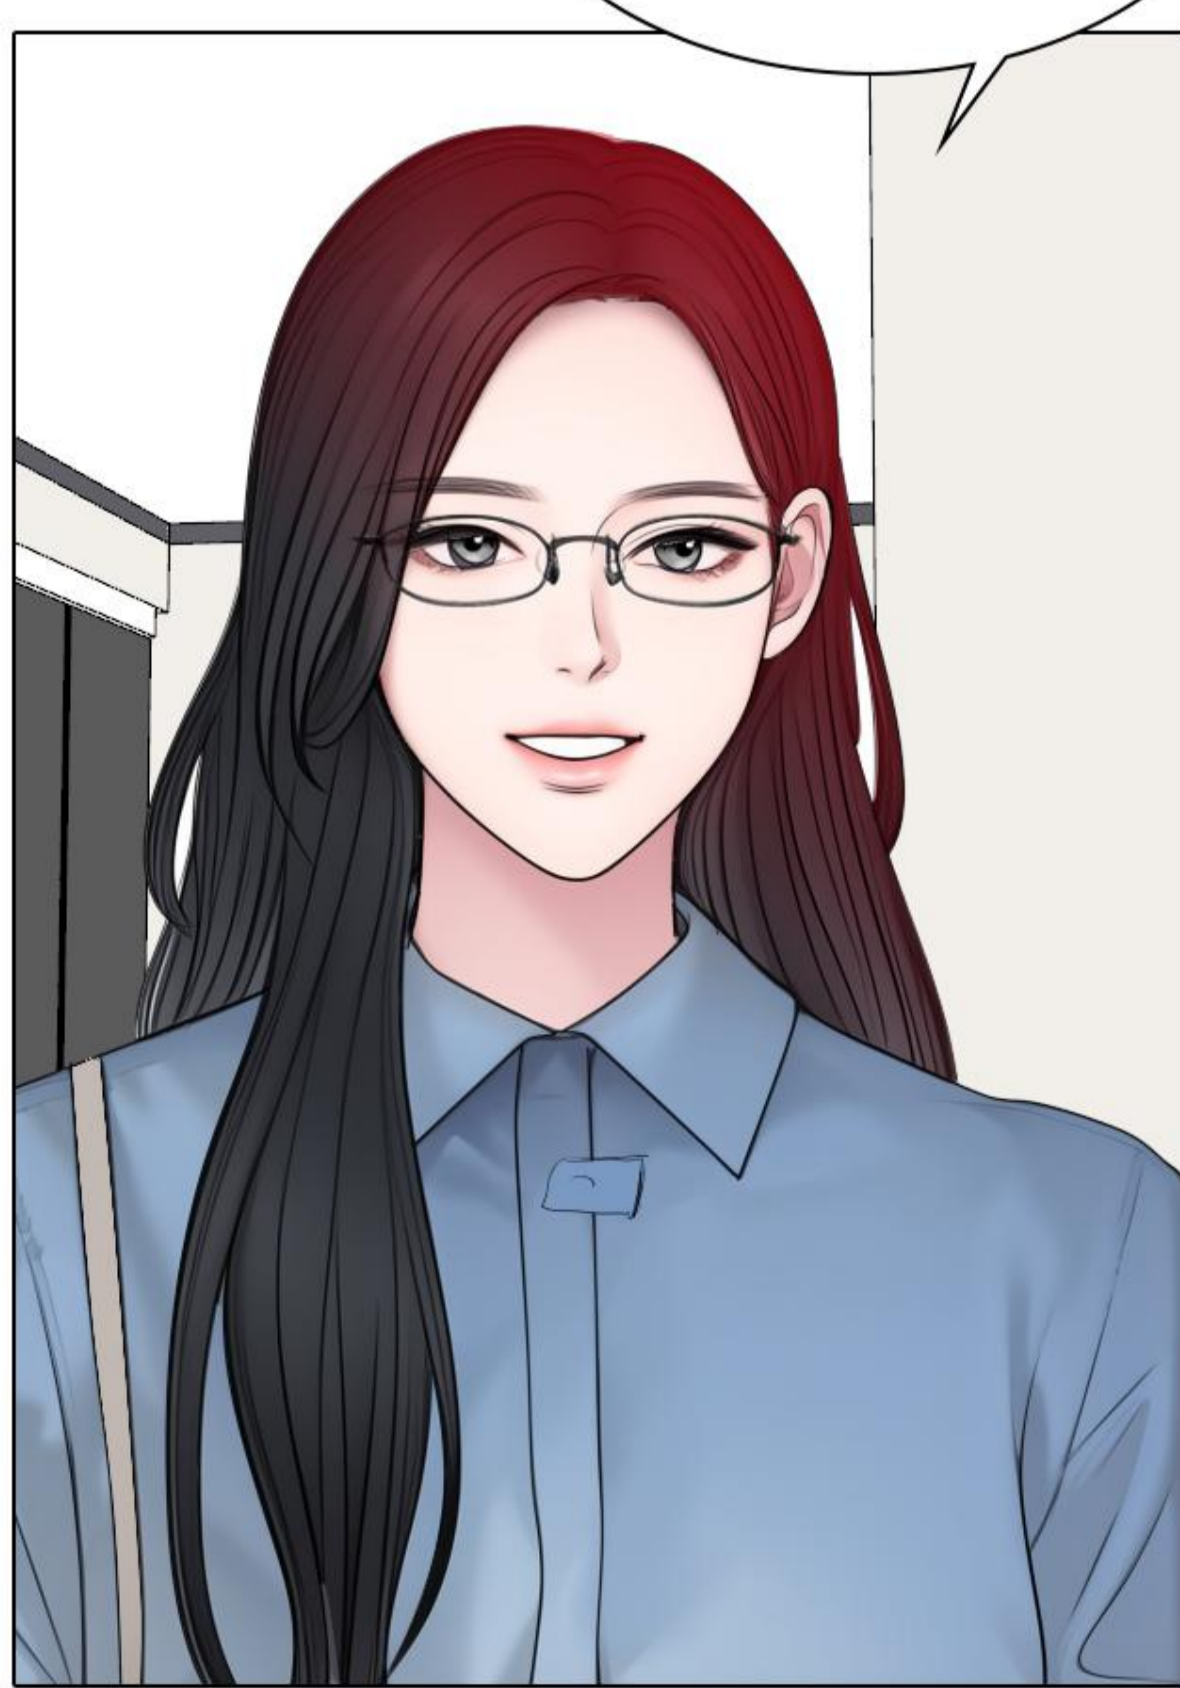

I didn't know
there was this
painting,

...What?!
Which
painting?

Nevermind,
it's just not my
taste

Eunpa ah,
I think I'll have to
bother you again

.....

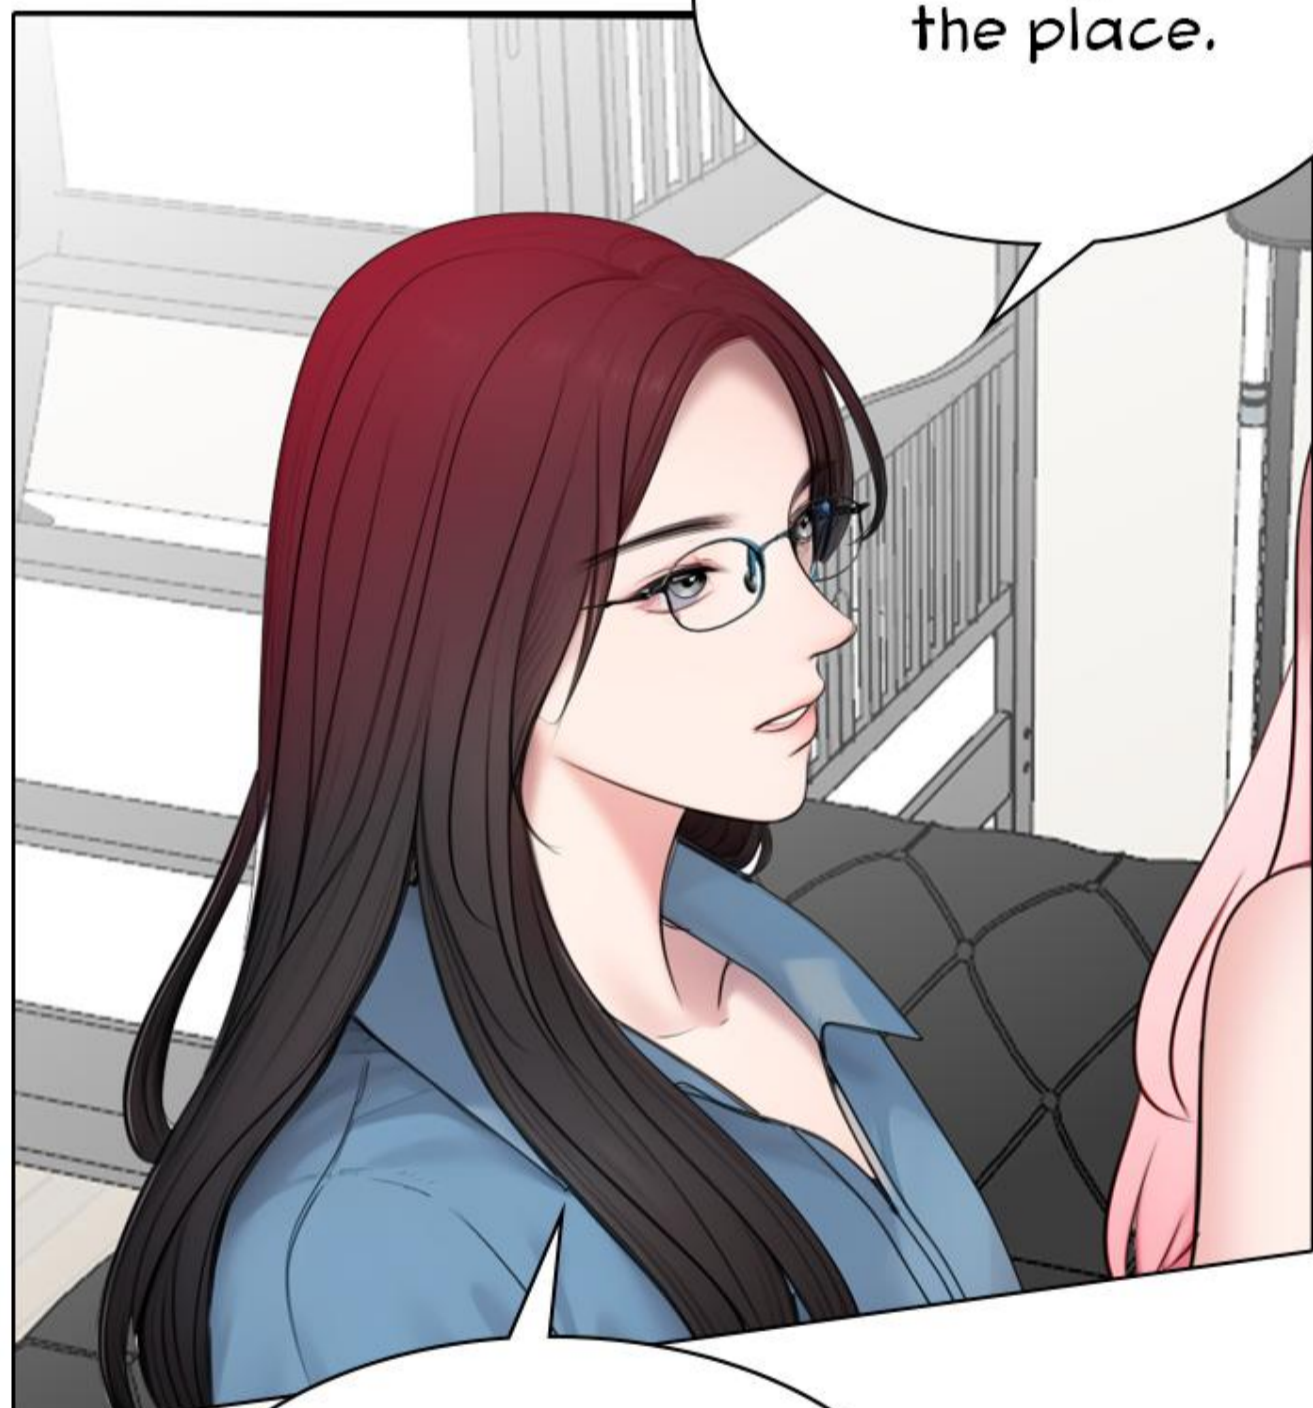

Alright...I see
Let me send you
some photos
of other offices.

Hopefully,
You might find
something
better

Thank
you~

I really love
the place.

But it seems like
their boss has a real
liking for this painting.
I guess there's no
other choice

He's my dad's friend.
If I asked him,
he might take it off

No.
You don't need to,
I can handle this

You don't have to settle for a place that makes you uncomfortable.

That's fine. I just sent you some other office listings.

Because of this and the exams, I barely have any rest these days

Wait. You mean this painting, Jisoo? The girl and a huge bear?

...Exactly

Yah~ it's cute, I love it

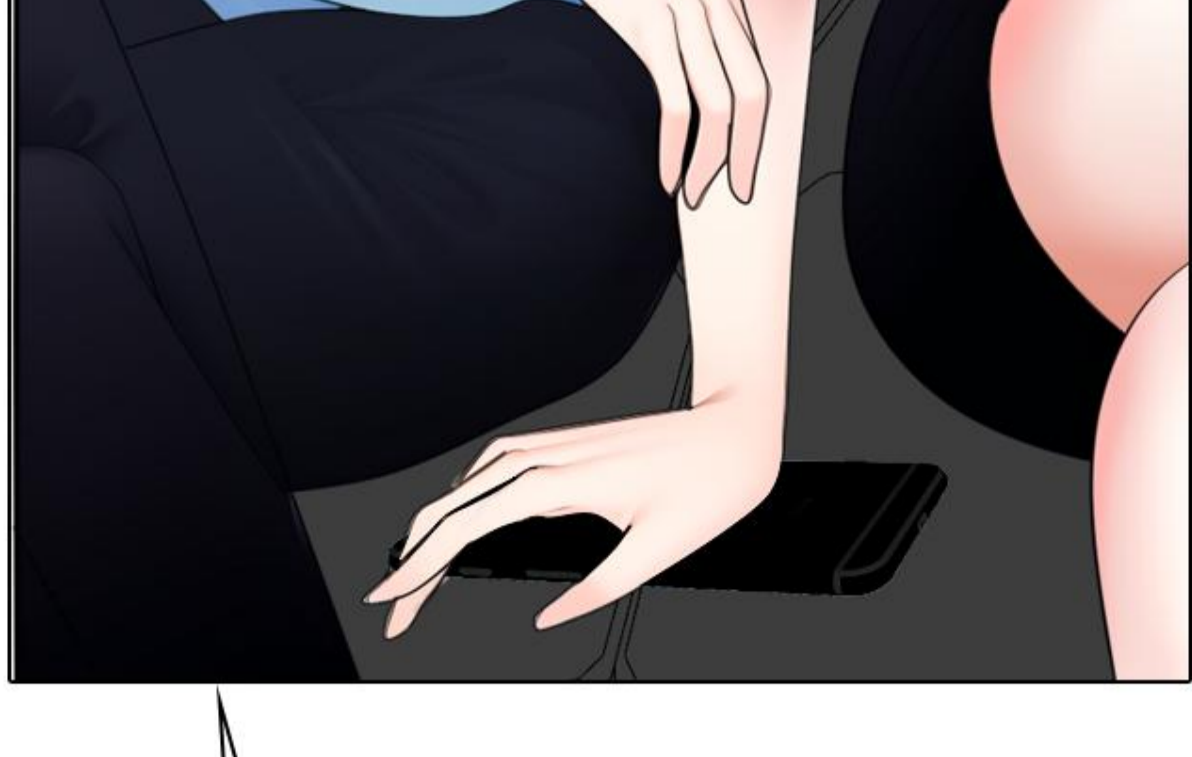

**IT'S
D.I.S.G.U.S.T.I.N.G
!!!**

...What's wrong with you? I thought bears were the animals you favored the most.

I'm probably just in a bad mood. Sorry.

Okay...

By the way,
Jisoo.

Hmm?

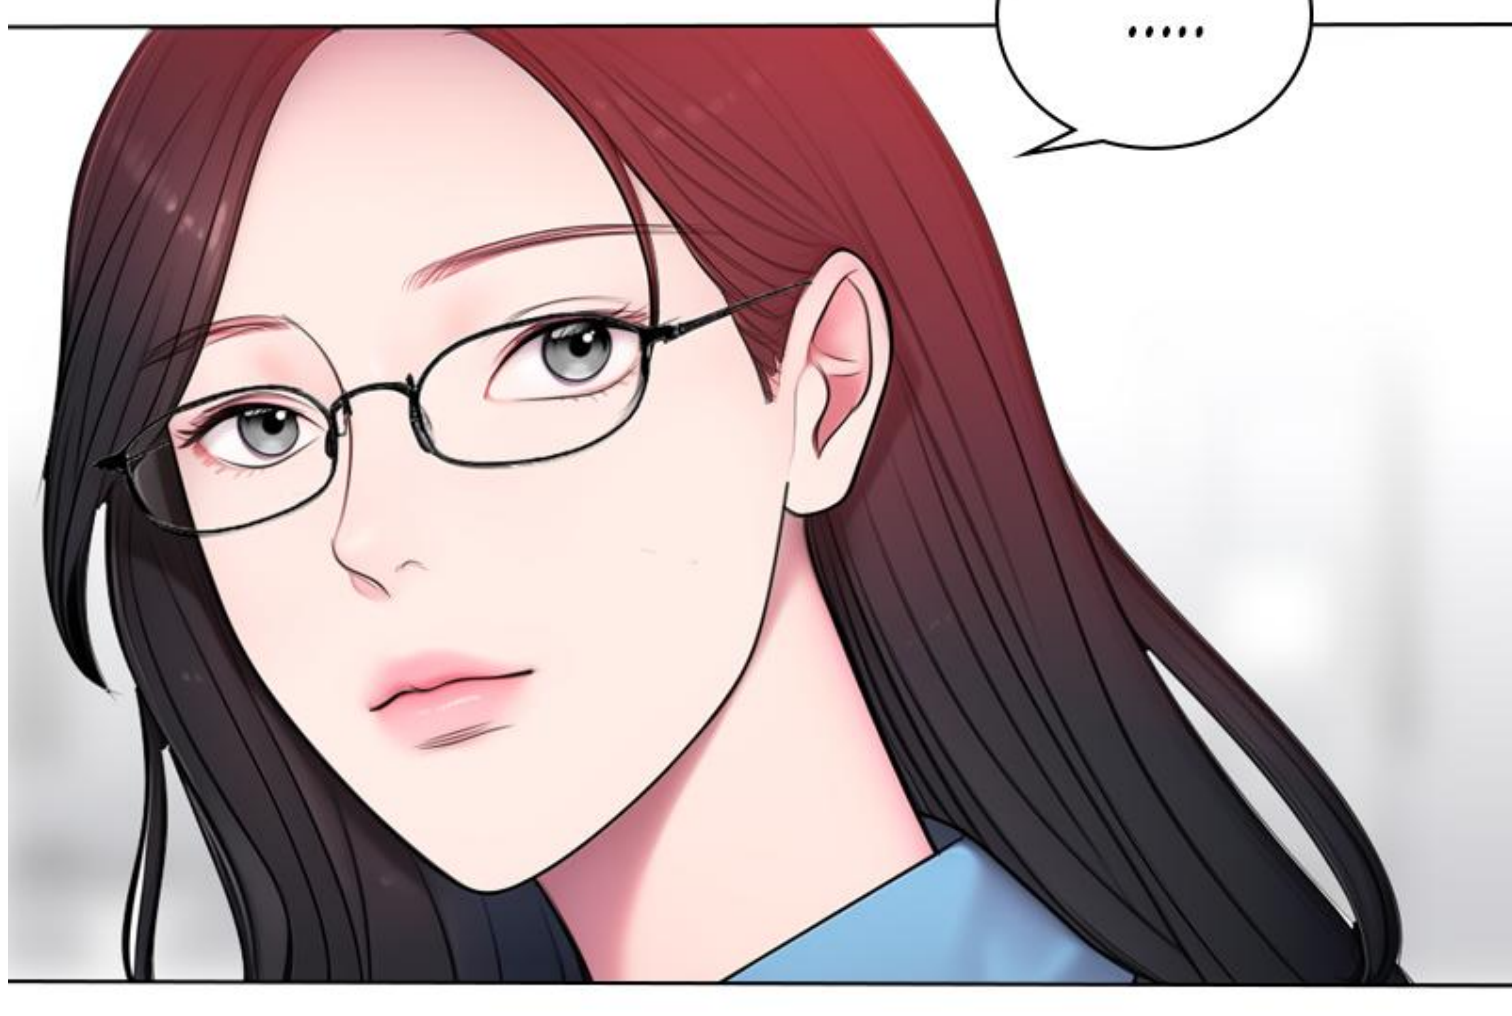

Are you going
to sleep over
today as well?

I've already
helped you washed
all your clothing

.....

Do you want me
to get the bath
ready for you?
