

You got some
guts challenging
me, kid!

Get 'em
boss!

Well, I gotta
impress the ladies
somehow.

...What the hell is with those pansy-looking gloves!?

Hm?
My magic gloves?

Do they really look that unmanly?

Are you making fun of me!?

No...
That comes
later!

Alright, pretty
boy, since you're
asking for it...

...I'll give you
a makeover!

Woah!
He's fast!

Alright,
but I get to do
you first!

Huh!
What the
hell!?

*Damn it! I
can't reach
my back!*

*Get off me,
pipsqueak!*

*You're
calling me a
pipsqueak?*

*But what
does that make
you then?*

*...Since
you're even
smaller!*

*H-hey!
What's going
on!?*

*Didn't you
hear me when
I said 'magic
gloves'?*

*They let
me transform
whomever I
touch!*

*Let me go,
you freak!*

*I dunno...
Maybe if you
ask nicely?*

P-please?

No.

Who's the pretty one now?

Holy shit...

I'm...
A girl!?

Is that
really the
boss!?

...Ah!

Whoops! Your
big boy pants are
falling down!

...Yup,
definitely
a girl.

No need to be embarrassed. Look, I'm taking mine off as well!

....Cute.

W-wait! Please, I don't wanna be like this!

No? I can
fix that!

Huu
-aah...

B-boss...?

There you
go. Perfectly
happy!

...What was
I doing?

Oooh,
he's cute!

Sure. As long as you're giving up the fight.

You're hot.

Wanna fuck me?

Deal!

...Do we
intervene?

Maybe we
should go...

I ain't
fighting
him!

AH!
HAH!
