1 EXT. BEACH. DAY

Overwatch heroes have a relaxing day on the beach.

SOLDIER 76 snoozes on a deck chair holding a stubby with "World's Best Dad" written on it. ANA sits on a chair next to him sipping tea.

DVA sunbathes on the top of her MEKA, floating in the ocean. She plays her pink handheld system.

MEI plays in the sand, building a sand wall with the help of her robot SNOWBALL.

HANZO sits on a deck chair sipping a fruity cocktail.

WINSTON snoozes on a deck chair, empty peanut butter jars at his side.

2 EXT. BEACH. CONTINUOUS

MERCY and PHARAH face off against TRACER in a game of volleyball. PHARAH runs towards the ball and with the help of MERCY, launches herself up into the air, spiking it.

PHARAH

Justice rains from above!

TRACER blinks around the court, saving the ball and setting herself up for a spike.

TRACER She shoots, she scores!

She knocks the ball right into PHARAH, hitting her in the head. As she falls to the ground, MERCY swoops in and catches her, cradling PHARAH in her arms.

MERCY

Heroes never die.

PHARAH looks up into MERCY'S eyes and smiles.

3 EXT. BEACH. DAY

MCCREE looks up towards the sun, shining bright in the sky.

MCCREE

It's high noon.

He sits behind HANZO, grabbing the sunscreen and rubbing it onto his back.

4 EXT. BEACH. DAY

GENJI is bitten by a crab. He yells at MERCY.

GENJI I need healing!

MERCY looks at him disapprovingly.

5 EXT. BEACH. DAY

SOLDIER 76 lowers his glasses.

SOLDIER 76 I've got you in my sights.

He stares at the women on the beach one by one - TRACER, DVA, MERCY, PHARAH. ANA, sitting next to him on another deck chair, notices him staring at her daughter, and pulls out her sleep dart gun.

ANA

Go to sleep.

She fires a sleep dart and SOLDIER 76 passes out on the chair. ANA sips her tea.

6 EXT. BEACH. DAY

REAPER, fully dressed in black, hides under an umbrella in the distance, watching the others.

7 EXT. BEACH. DAY

JUNKRAT floats in the ocean in a giant inflatable ring. He lights a stick of dynamite, laughing hysterically.

JUNKRAT Ohoho, this'll be good. It's a perfect day for some mayhem!

JUNKRAT realises that he's been holding the stick of dynamite too long and it's about to go off.

After a loud explosion, several dead fish are washed up on the shore.

8 EXT. BEACH. CONTINUOUS

SOLDIER 76 snoozes on his deck chair. DVA draws on his face in permanent marker. He wakes up, sitting up quickly.

SOLDIER 76

Why you little...

DVA giggles to herself as SOLDIER 76 grabs his water gun and runs after her.

9 EXT. BEACH. DAY

DVA and SOLDIER 76 shoot each other with water. PHARAH grabs her water blaster and joins in the antics. TRACER blinks in and shoots them all. DVA, SOLDIER 76, and PHARAH turn to shoot TRACER, soaking her white t-shirt with water.

TRACER

Let's try that again!

TRACER recalls a few seconds, her shirt now dry.

McCree steps out from behind an umbrella.

MCCREE

Step right up. Draw!

He shoots rapidly, hitting SOLDIER 76, DVA, and TRACER. His gun turns towards PHARAH. Before he can fire, MCCREE feels a twitch in his neck, and collapses. On the deck chair nearby, ANA sips her tea.

10 EXT. BEACH. AFTERNOON

HANZO and GENJI face off against each other.

GENJI We face each other again, brother.

HANZO Things will turn out differently this time.

GENJI We'll see about that.

GENJI and HANZO pull out green and blue pool noodles respectively.

HANZO Ryu ga waga teki wo kurau! 8

GENJI

Ryujin no ken o kurae!

They charge at each other and violently flail their noodles at each other.

11 EXT. BEACH. AFTERNOON

SNOWBALL starts dispensing ice creams.

MEI

Chill out.

MEI hands the ice creams to the other Overwatch heroes, who lick them enthusiastically. PHARAH gets some on her nose, MERCY goes to wipe it off.

MERCY

I've got you.

Instead, PHARAH wipes her ice cream on MERCY'S nose. They both laugh. MERCY wipes PHARAH'S nose with her thumb, and her hand lingers, moving towards her cheek. PHARAH blushes, staring longingly into MERCY'S eyes. MERCY'S head tilts, and her mouth moves closer to PHARAH'S, their lips about to lock. MERCY feels a prick in the side of her neck, and she collapses, fast asleep. PHARAH looks around confused. On the deck chair nearby, ANA sips her tea.

12 EXT. BEACH. AFTERNOON

As the sun starts to go down, BASTION, dressed in board shorts, stands on the rocks and is swarmed by seagulls.

13 EXT. BEACH. AFTERNOON

TRACER pats a gorilla-shaped mound of sand. She puts a pair of spectacles on the face.

TRACER Looking good, big guy!

The sleeping WINSTON has been buried alive.

14 EXT. BEACH. SUNSET

DVA holds her camera up to take a selfie in front of the WINSTON mound.

12

13

DVA Group up here!

The other Overwatch heroes jump into the background. Through DVA'S snapshots we see WINSTON emerging, causing an eruption of sand and sending everyone flying. DVA continues snapping photos of herself laughing, as WINSTON looks around in confusion.

15 EXT. BEACH. DUSK

15

The Overwatch heroes leave the beach. DVA chats excitedly to SOLDIER 76, wrapped up in his over-size jacket. MERCY, a few steps behind them, drags the esky along the beach by herself.

MERCY We need to get this thing moving. Let's keep it going forward. Anyone? Anyone at all? No?

She sighs to herself.
