

I can still
feel my hand...

...and your boob,
as if it is my own!

Whoops!

giggle

...yeah, whoops

Um... you can get
my hand out, right?

Of course!

Gimme that!

Hey-hey!

Yep!

Wha...
I can no longer feel it!

You stole my hand!

This is what I just
wanted to suggest!

giggle

In this case,
now it's my turn!

drop

What... the hell?
I just wanted your hand!

That's not how my boobs work...

What goes in is what comes out!

giggle

...yeah, I get that now

A scene from a virtual world. On the left, a character with long, wavy blonde hair is sitting on a bed, looking towards the right. On the right, a character with a short, spiky black hairstyle is standing, wearing a dark, form-fitting, two-piece outfit with cutouts and a belt. She has her right arm raised, palm facing forward. In the background, there is a window with a view of a brick building, a desk with a laptop, and a lamp. Three speech bubbles are overlaid on the scene, containing text.

Having fun?

... well...
yeah, I guess

Don't see actual
magic too often!

Alright, alright... so...
I have one last question...

Shoot

...Why are your
boobs magic?
