Hmph. The pervert must be dreaming about something disgusting. Meathead.

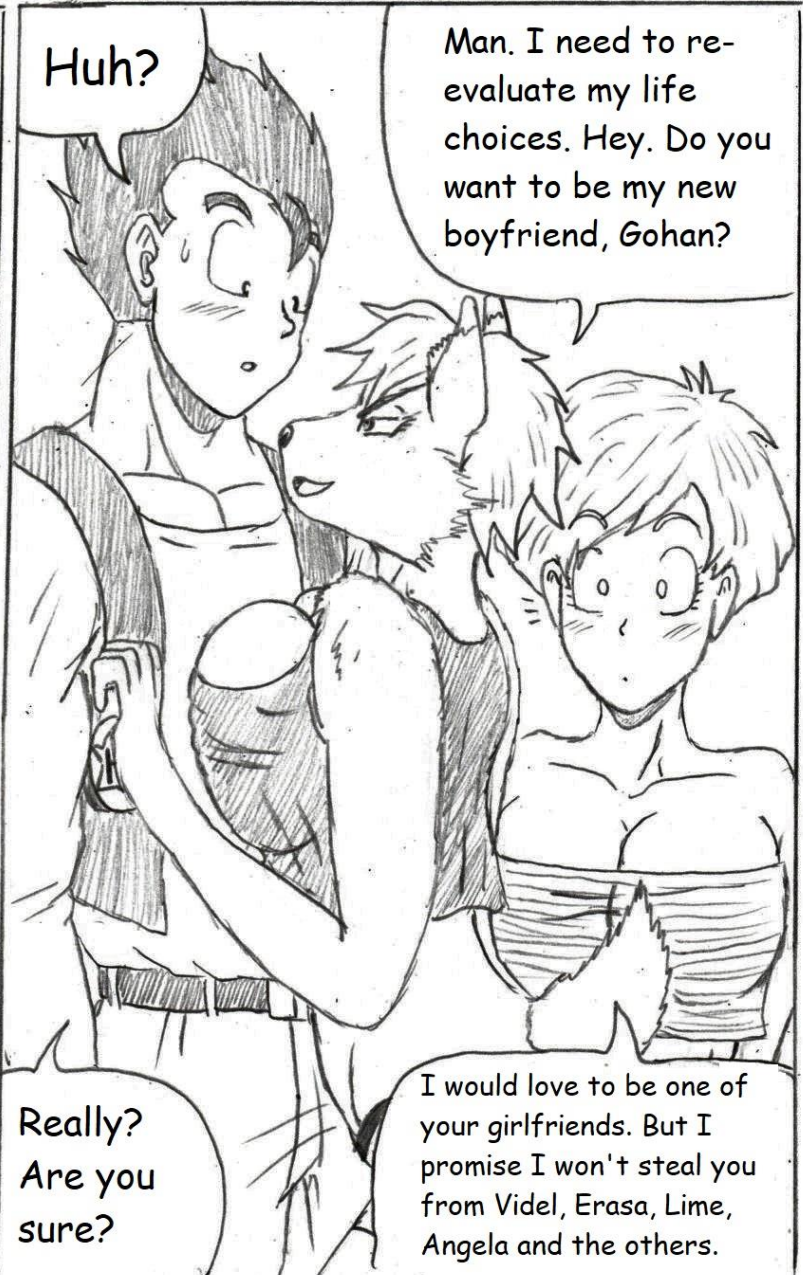

Yeah! Let's all have fun together!

Sure. We don't mind, Saya-chan.

Of course we are. Come on. Let's go to another love hotel tonight and welcome our new girlfriend.

Okay. As long as you girls are fine with that.

Huh?

Man. I need to re-evaluate my life choices. Hey. Do you want to be my new boyfriend, Gohan?

Really? Are you sure?

I would love to be one of your girlfriends. But I promise I won't steal you from Videll, Erasa, Lime, Angela and the others.
