In a tomb

Thought I was supposed to be

The stones in their place

I've eaten the sun so my tongue
         D              Am    G   D
Has been burned of the taste
Am
I have been guilty
   G          D        Am    G   D
Of kicking myself in the teeth

I will speak no more

Of my feelings beneath
